**Andaluna Borcila**

## **Post Report For Bucharest Romania:**

*Post Report*, 1980 Series of pamphlets on countries of the world revisions issued **Transitional Justice in Post-Communist Romania** Lavinia Stan, 2013 This is the first volume to overview the complex Romanian transitional justice effort detail the political negotiations that have led to the adoption and implementation of relevant legislation and assess these processes in terms of their timing sequencing and impact on democratization American Representations of Post-Communism Andaluna Borcila, 2014-07-11 With the televised events of 1989 territories of Eastern and Central Europe that had been marked as impenetrable and inaccessible to the Western gaze exploded into visibility As the narratives of the Cold War crumbled new narratives emerged and new geographies were produced on and by American television Using an understudied archive of American news broadcasts and tracing their flashes and echoes through travel guides and narratives of return written by Eastern European Americans this book explores American ways of seeing and mapping communism s disintegration and the narratives articulated around post communist sites and subjects Political Parties of Eastern Europe: A Guide to Politics in the Post-communist Era Janusz Bugajski, 2020-09-10 This comprehensive one volume guide to politics in Eastern Europe provides a wealth of information on the region The author outlines the emergent political spectrum of parties and coalitions which are described in the 20 country chapters that make up the heart of the book Parties are classified across the political spectrum and discussed individually in terms of programs leadership and political activity Tables at the end of each country chapter present basic political data and electoral results A concluding essay evaluates democratic development in the region *Romania After Tyranny* Daniel N Nelson, 2019-06-19 In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972 73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave thought to non party union organization felt the heavy hand of Ceausescu s Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today **Advances in Lymphatic System Research and Application: 2013 Edition**, 2013-06-21 *Advances in Lymphatic System Research and Application 2013 Edition* is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Peyer s Patches The editors have built *Advances in Lymphatic System Research and Application 2013 Edition* on the vast information databases of ScholarlyNews You can expect the information about Peyer s Patches in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of *Advances in Lymphatic System Research and Application 2013 Edition*

You now have a source you can cite with authority, confidence and credibility. More information is available at <http://www.ScholarlyEditions.com>

**National Constitutions in European and Global Governance: Democracy, Rights, the Rule of Law** Anneli Albi, Samo Bardutzky, 2019-05-29. This two-volume book published open access brings together leading scholars of constitutional law from twenty-nine European countries to revisit the role of national constitutions at a time when decision making has increasingly shifted to the European and transnational level. It offers important insights into three areas. First, it explores how constitutions reflect the transfer of powers from domestic to European and global institutions. Secondly, it revisits substantive constitutional values such as the protection of constitutional rights, the rule of law, democratic participation and constitutional review along with constitutional court judgments that tackle the protection of these rights and values in the transnational context, e.g. with regard to the Data Retention Directive, the European Arrest Warrant, the ESM Treaty and EU and IMF austerity measures. The responsiveness of the ECJ regarding the above rights and values along with the standard of protection is also assessed. Thirdly, challenges in the context of global governance in relation to judicial review, democratic control and accountability are examined. On a broader level, the contributors were also invited to reflect on what has increasingly been described as the erosion or twilight of constitutionalism or a shift to a thin version of the rule of law, democracy and judicial review in the context of Europeanisation and globalisation processes. The national reports are complemented by a separately published comparative study which identifies a number of broader trends and challenges that are shared across several Member States and warrant wider discussion. The research for this publication and the comparative study were carried out within the framework of the ERC-funded project 'The Role and Future of National Constitutions in European and Global Governance'. The book is aimed at scholars, researchers, judges and legal advisors working on the interface between national constitutional law and EU and transnational law. The extradition cases are also of interest to scholars and practitioners in the field of criminal law. Anneli Albi is Professor of European Law at the University of Kent, United Kingdom. Samo Bardutzky is Assistant Professor of Constitutional Law at the University of Ljubljana, Slovenia.

**Eastern Christianity and Politics in the Twenty-First Century** Lucian N. Leustean, 2014-05-30. This book provides an up-to-date comprehensive overview of Eastern Christian churches in Europe, the Middle East, America, Africa, Asia and Australia. Written by leading international scholars in the field, it examines both Orthodox and Oriental churches from the end of the Cold War up to the present day. The book offers a unique insight into the myriad church-state relations in Eastern Christianity and tackles contemporary concerns, opportunities and challenges such as religious revival after the fall of communism, churches and democracy, relations between Orthodox, Catholic and Greek Catholic churches, religious education and monastic life, the size and structure of congregations and the impact of migration, secularisation and globalisation on

Eastern Christianity in the twenty first century

Sinha,2024-01-03 The comprehensive volume focuses on spatial temporal conceptual and empirical approaches to various elements of urban dynamics environment and urban health It demonstrates a multidisciplinary account of the significant dimensions of urbanization and urban life Chapters by leading international experts are presented in sections on urban dynamics Urban Environmental Issues Urban Health Problems and Urban Development Planning and Policies Each chapter provides a breadth of information on conceptual and empirical studies of urban issues It enables the readers to understand the interconnections of various vital elements of each urban related topical issue locally regionally and globally Extensive maps charts diagrams and tables as cartographic tools facilitate the reader s understanding It also outlines an action plan for policy program change in both the developed and less developed countries toward sustainable urban development and environment for better health prosperity and quality of life of the present and future urban population It is an indispensable reference for students research scholars of geography and environmental medical and social sciences at undergraduate and postgraduate levels

**Advances in the Potential Treatments of Gastrointestinal and Liver Diseases: Addressing the Public Health Burden** Mariana Jinga,Adina Turcu-Stiolica,Maria Dimitrova,2023-08-07

**Seismic Hazard and Risk**

**Assessment** Radu Vacareanu,Constantin Ionescu,2018-03-21 This book contains the best contributions presented during the 6th National Conference on Earthquake Engineering and the 2nd National Conference on Earthquake Engineering and Seismology 6CNIS 2CNISS that took place on June 14 17 2017 in Bucharest Romania at the Romanian Academy and Technical University of Civil Engineering of Bucharest The book offers an updated overview of seismic hazard and risk assessment activities with an emphasis on recent developments in Romania a very challenging case study because of its peculiar intermediate depth seismicity and evolutive code compliant building stock Moreover the book collects input of renowned scientists and professionals from Germany Greece Italy Japan Netherlands Portugal Romania Spain Turkey and United Kingdom The content of the book focuses on seismicity of Romania geotechnical earthquake engineering structural analysis and seismic design regulations innovative solutions for seismic protection of building structures seismic risk evaluation resilience based assessment of structures and management of emergency situations The sub chapters consist of the best papers of 6CNIS 2CNISS selected by the International Advisory and Scientific Committees The book is targeted at researchers and experts in seismic hazard and risk evaluation and rehabilitation of buildings and structures insurers and reinsurers and decision makers in the field of emergency situations and recovery activities

**EU Funds in the New Member States** Christian Hagemann,2018-12-07 This book examines new member states problems with the absorption of EU funds Since accession many new member states from Central and Eastern Europe struggle to access their billions of development funds from Brussels While existing research mostly emphasizes the role of states administrative capacities to account for absorption problems this study adds the so far neglected role of politics as party politicization to the equation

The argument is tested using a combination of fuzzy set Qualitative Comparative Analysis fsQCA with two detailed process tracing case studies This book will appeal to scholars interested in EU cohesion policy post accession compliance and post communist politics *Family and Social Change in Socialist and Post-Socialist Societies*, 2014-10-09 In *Family and Social Change in Socialist and Post Socialist Societies* the authors address the social transformations of eight transitional societies in recent decades Russia Ukraine Poland Slovakia Hungary Romania China and Vietnam Each chapter discusses a different society and reveals their struggles in the reconstruction of the intimate and public spheres amid the post Cold War period Making use of a semi structured analytical framework the respective chapters address the ambiguous relationship between familism and individualisation seen through change and continuity in demographic behaviour family values family solidarity gender relations state policy and marketisation The volume also outlines the possibility of a modified second demographic transition theory as a correction of Western based interpretations of current social trends Contributors include Zsombor Rajkai Yulia Gradszkova Lyudmyla Males Tymur Sandrovykh Ma gorzata Sikorska Peter Gur Jarmila Filadelfiov Milo Debn r Csaba Dupcsik Olga T th Borb la Kov cs Zhou Weihong Liu Wenrong Xue Yali Nguyen Huu Minh Chang Kyung Sup

Entangled Evolutions Peter Gross, 2002-05-08 The revolutions of 1989 swept away Eastern Europe s communist governments and created expectations on the part of many observers that post communist media would lead the liberated societies in establishing and embracing democratic political cultures Peter Gross finds that it was utopian to hold such expectations of the media in societies in transition On the one hand those countries media professionals had all learned their jobs under the communist regimes and could not instantly transform themselves into guides for a politically enabled populace Gross argues On the other hand newcomers to the media world even those who were notable literary figures viewed themselves as social and political leaders rather than mere informers and facilitators of the resocialization required to form new democracies The news media have remained highly politicized and partisan So how are the media civil society and political culture related in societies in transition And can changes in these relationships be anticipated To address these questions *Entangled Evolutions* examines media in post 1989 Eastern Europe It studies the effects of privatization of the media journalists relations to political figures institutional structures such as media laws professional journalistic culture and the media s relation to their market Sources include interviews with journalists and politicians sociological and political data from national surveys and media audience studies

**Disaster Response by Ceaușescu's Communist Regime in Romania** Karin Steinbrueck, 2024-10-21 This book contains the first comprehensive history using extensive primary sources to trace the 1977 earthquake disaster response by the Ceau escu communist regime contextualizing its contribution to the public risk that remains in Romania s capital Bucharest It traces a history of one authoritarian government s disaster response linking its decisions and ultimate inactions to contemporary public risk The book begins with a stand alone chapter to introduce readers to twentieth century Communist Romania and contextualize the Ceau escu regime s response It provides

insights into how Radio Free Europe filled the information vacuum how the political police the Securitate worked as first responders and how scientific experts debated the best course of action It examines how the regime requested specific foreign assistance and activated its Securitate abroad to encourage such prioritized restoration of the economy and encouraged domestic cash and labor contributions in the name of recovery The book examines how the disaster response abruptly ended leaving thousands of structurally unsafe buildings It explains the contemporary seismic risk and post communist mitigation efforts to reduce it This book will be of interest to students researchers and policy makers in the fields of history disaster studies urban planning politics and those interested in communist era Romania Europe and Eurasia totalitarian and authoritarian regimes Romania In The 1980s Daniel N. Nelson,2019-06-04 Among communist states Romania is in several respects a unique case Romania has been the only Warsaw Pact member to deviate consistently from Soviet foreign policy norms and alone within Eastern Europe to avoid oil imports from the USSR The leadership of Nicolae Ceausescu since 1965 has meanwhile governed through a studious commitment to socio economic centralization and control often reminiscent of Stalinist orthodoxy Intellectual freedom artistic liberty and workers rights have changed little relative to Poland Hungary or the transient Prague Spring Such international and domestic policy distinctions as well as a record of impressive industrial growth necessitate an effort to understand the dynamics of Romania s socio economic and political life This volume is meant to delineate trends in political social and economic life which will constitute dynamic elements for the Romanian system during the 1980s and beyond Contributors all scholars with lengthy research experience in Romania the Balkans and communist states generally have sought to identify factors likely to be influential during this and ensuing decades In that sense this is a predictive volume containing not crystal ball gazing but the careful identification and assessment of trends influencing Romanian foreign and domestic policies economic and political performance and societal transformations By suggesting elements crucial to socio economic and political change in Romania we hope to make observing this intriguing communist state somewhat less haphazard and more systematic **Holocaust Education** E. Doyle Stevick,Deborah Michaels,2017-10-02 Holocaust Education Promise Practice Power and Potential provides timely studies of some of the most pressing issues in teaching and learning about the Holocaust around the world Europe is experiencing both anti Semitic attacks many by radicals claiming the banner of Islam and the resurgence of right wing movements that are openly hostile to minority rights particularly for marginalized and vulnerable groups like the Roma Sinti and Muslim refugees Can Holocaust education an encounter with the most extreme racial ideology to afflict the continent reduce violence and prejudice against Jewish and other minority groups The important studies in this volume address these and other pressing issues for the field including the progress of Central and Eastern European countries that experienced both Soviet hegemony and Nazi terror in grappling with the history of the Holocaust This book was originally published as a special issue of Intercultural Education **Romania** Stephen Roper,2004-08-02 The Romanian revolution was motivated by a desire for

greater political and intellectual freedom and economic prosperity It was the bloodiest of the eastern European transitions due to Ceausescu s cult of personality However many of the goals of the revolution are still unfulfilled The lack of civil society charges of political corruption the failure to transform the economy and concerns over the protection of ethnic minority rights are all factors in Romania s failure to become a fully integrated European country Tracing the country s political history and examining Romania s postcommunist politics economic transition and foreign policy this book contemplates the prospects for this country as it enters the twenty first century
