

A Prayer for Teachers

Lord,

I pray that teachers everywhere will make a lasting impact on our students, families, and communities.

You have given us stewardship over your amazing world, and teachers have the wonderful opportunity to teach the next generation not only about the world we live in, but how to function in their world in ways that bless others.

May the lasting impact of teachers greatly improve this world, for your honor and glory.

In Jesus' name, Amen.

Muslim Schools, Communities and Critical Race Theory Damian Breen, 2017-10-18 This book explores the position of Muslim schools in contemporary Britain A Critical Race Theory approach is used to consider some of the specific issues faced by Muslim schools in particular those looking to become state funded The book provides a critically considered and meaningful application of a theory of race to Muslims as a religious community without restricting the analysis to minority ethnic Muslim groups it also provides a counter narrative which contests assumptions about Muslim schools presented in the media and in public debates more generally These insights are positioned against current political climates within which Muslims have been consistently subjected to surveillance and suspicion The book draws on first hand research carried out inside Muslim schools to offer insights into the ways that these schools cater to diverse and locally specific needs It concludes by arguing that independent Islamic schools represent ideal models of community need Therefore bringing such schools into the state sector in a way that allows them to retain autonomy represents an ideal strategy for the educational and political enfranchisement of British Muslims Muslim schooling represents an opportunity for increased state investment in Muslim interests as a strategy for offsetting the ways in which Muslim communities have been marginalised more generally in contemporary political climates The book will make compelling reading for students and researchers in the fields of Education Sociology and Religious Studies particularly those with an interest in faith schools Islam and Critical Race Theory
