Precious Memories The Sixteenth Of The Faith Promoting Series:

Precious Memories George C. Lambert, 2015-07-19 Excerpt from Precious Memories Sixteenth Book of the Faith Promoting Series Designed for the Instruction and Encouragement of Young Latter Day Saints The hope is entertained that not only may the narratives contained in this volume entertain and at the same time tend to promote faith in those who read them but that they may also incite others in the community whose lives have been fraught with incidents that would be faith promoting if published to have the same reduced to writing and supply us therewith for use in the faith promoting Series or else furnish us with the facts and allow us to prepare the same for publication About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Precious Memories George Cannon Lambert, 1914 **Precious Memories, The Faith-Promoting Series Book 16** George C. Lambert, This is the 16th book in the Faith Promoting Series and the second volume primarily written by George C Lambert Lambert worked closely with George Q Cannon at Deseret Book and after Cannon's death he continued publishing volumes in this series This book just like the previous book in the series Treasures in Heaven has a special emphasis on temples and genealogy work The story of Thomas Briggs is one of a life long pursuit to find genealogical records In spite of great personal and physical trials including the amputation of his legs Briggs made finding the names of his ancestors a priority in his life He worked often at the Logan Temple and before his death he had amassed a huge collection of genealogy George L Farrell was a missionary in England in 1875 He had unique experiences with a number of people and they continued later in his life when people he had ministered to there moved to Utah The book concludes with a number of short experiences regarding missionary work and the changes possible when the Spirit touches people's hearts **Precious Memories**, 1914

Precious Memories Various, 2015-02-06 The assurances received of the beneficial effects of the earlier volumes of the Faith Promoting Series encourage the hope and belief that the present volume may be none the less helpful and appreciated Narratives of personal experience especially when they relate to people familiar to the reader or the community in which he lives possess a peculiar charm to most people and especially to the young and may convey helpful lessons more effectually than homilies or treatises however carefully written are apt to The reason therefor probably is that in the narrative the moral is applied in real experience whereas in the treatise or homily the moral is expressed in the abstract only and doubt may exist in the mind of the reader as to just how to apply it in real life The hope is entertained that not only may the narratives contained in this volume entertain and at the same time tend to promote faith in those who read them but that they may also

incite others in the community whose lives have been fraught with incidents that would be faith promoting if published to have the same reduced to writing and supply us therewith for use in the Faith Promoting Series or else furnish us with the facts and allow us to prepare the same for publication *The Young Woman's Journal* ,1915 Precious Memories George

Precious Memories George Cannon Lambert,1914 **Scraps of Biography** George Q. Cannon,Newel Knight,Daniel Tyler, This is the tenth book in the Faith Promoting Series Like many other books in the series this volume is made up of sketches of various pioneers and other members of the Church from early Church history The sketches in this volume are about John Tanner Daniel Tyler and Newel Knight John Tanner was one of the primary financiers of the Kirtland Temple His conversion to the Church followed a miraculous healing He and his family later moved to Missouri Iowa on the other side of the Mississippi River from Nauvoo and then across the plains to the Salt Lake Valley Daniel Tyler was an early convert to the Church who was familiar with both Hyrum Smith who played an important part of his learning about the Gospel and Joseph Smith who he knew in Missouri Tyler was called on a mission to Switzerland and was the teaching missionary of Karl G Maeser who later went on to revolutionize education in Utah as one of the founders of Brigham Young University Tyler also is the author of one of the early histories of the Mormon Battalion A Concise History of the Mormon Battalion in the Mexican War Newel Knight was an acquaintance of Joseph Smith before the time of the organization of the Church and was one of the early converts in New York He and his family joined the Church in May 1830 and was the branch president of the Colesville Branch He continued to lead the branch after it left New York for Ohio and Jackson County Missouri and was a member of several of the early high councils of the Church Fragments of Experience George Q. Cannon, This is the sixth book of the Faith Promoting Series Like many of the other books in the series this book presents a series of vignettes from early Church

history about missionary work investigating and embracing the Gospel and miracles that have happened in the everyday lives of members of the Church It was prepared by George Q Cannon a member of the First Presidency and the founder of Deseret Book for the inspiration and enrichment of young people Today it stands as a wonderful faith enriching testament of the involvement of Heavenly Father in the everyday lives of those who follow Him There are two sections of special interest Lorenzo Dow Young a brother of Brigham Young writes about the experiences he had that let him to investigate and join the Church including special visions and dreams that came to him William W Cluff and Benjamin F Johnson s missions to Hawaii also receive special mention They describe the missionary work they were involved in while serving the Hawaiian people the trials and challenges they faced and the miraculous help they recieved from the Lord The amazing healing of Lorenzo Snow is central to their memoirs Like other books in this series the writing style is clear and engaging meant to be easily understood and the stories are captivating I hope that your faith will be strengthened as mine has been from the stories told here

Myth of the "Manuscript Found" And The Complete Original Spaulding Manuscript George Reynolds, Samuel Spaulding, Any member of the LDS Church has been told reasons why the Book of Mormon just can t be true One of the most common that seems to persist in folk culture is the myth that Sidney Rigdon wrote the Book of Mormon by basing it on the Spaulding Manuscript The manuscript that Spaulding wrote and tried to sell to a publisher in 1812 contains the story of a group of ancient Romans that sail to the American continent and populate it Sidney Rigdon supposedly read this manuscript during his acquaintane with the publisher and used it as a basis for what would become the Book of Mormon The first half of this book the eleventh book in the Faith Promoting Series was originally published by Deseret Book in 1883 examines both the story behind the manuscript and the claims that Rigdon wrote the Book of Mormon It was published the year that Spaulding s original manuscript was found in papers donated to Oberlin University It details not only the differences between the manuscript and the Book of Mormon but also gives additional information that may be useful when a member of the Church is asked to defend the Book of Mormon from detractors Following the Faith Promoting Series book I have also included the text of the original Spaulding Manuscript as it has been transcribed from the original manuscript submitted to the published by Spaulding As an adventure story it has some interesting moments but it really can t compare to the Book of Mormon in excitement or depth I hope that you enjoy perusing it and that someday it will come of use to you when discussing the Book of Mormon

Eventful Narratives George Q. Cannon, This is the 13th book in the Faith Promoting Series It is comprised of three stories from different authors each with the common theme of sacrifice for the sake of the gospel Like other books in the Faith Promoting Series it is designed to be easy to read relevant to the daily lives of Latter day Saints and exciting The first section Leaving Home is the story of Robert Aveson Aveson was born in England and received a testimony of the truthfulness of the gospel but his parents and other family members were violently opposed to him joining the Church He attended meetings in secret for many years until he had saved enough money to run away to the US and then on to Utah

His first two attempts at escape were stopped but eventually he succeeded and successfully arrived in Salt Lake City Years later his parents both converted to the Church and joined him there William Anderson was a soldier a man from a strict family who left behind a touching legacy for his posterity He joined the Church and journeyed with his family to Nauvoo where he participated in the Battle of Nauvoo O B Huntington relates a thrilling story of journeying through the desert in an area controlled by Native Americans Amazing intervention from the Lord allows both the Native Americans and the travelers to arrive at their destinations safely

Jacob Hamblin: A Narrative of His Personal Experience Jacob Hamblin, James A. Little, This is the fifth book in the Faith Promoting series and quite possibly the most popular of all 17 books in the series The full original title is Jacob Hamblin A Narrative of His Personal Experience as a Frontiersman Missionary to the Indians and Explorer Disclosing Interpositions of Providence Severe Privations Perilous Situations and Remarkable Escapes This first person narrative told is by Jacob Hamblin and tells of his turning to God after a miraculous healing conversion to the Church joining the Saints in Nauvoo the succession crisis after the death of Joseph Smith the journey across the plains to the Salt Lake Valley his missions to the Native Americans and the settlement of Southern Utah It is one of the key source documents for many of these important events in Church history and has become one of the most popular classics in the LDS cannon Led by a keen awareness to spiritual promptings and a strong love for Native Americans Jacob Hamblin served as a mission president Church arbitrator and a scout exploring through Utah Nevada and Arizona territories This action packed account of a frontier hero is an excellent addition to any library

Gems for the Young Folks George Q. The National Union Catalog, Pre-1956 Imprints, 1976 [My First Mission](#) George Q. Cannon, 2016-07-01

Eventful Narratives Robert Aveson, Oliver Huntington, Eventful Narratives is the thirteenth book in the Faith Promoting Series It s comprised of three narratives the story of an English convert running away from home to join the saints in Utah the story of a martyr in the Battle of Nauvoo and the faith of his plural widows and the account of a member s survival on a government expedition outside of the Salt Lake Valley into Native American territories All three of these narratives written to inspire the youth of the church through the exceptional examples of saints before them give modern day saints an insight into the trials experiences and faith of the saints in the past Most importantly these events testify of the divinity of the Gospel of Jesus Christ These real life experiences show how the Gospel can bless

followers of Christ and give saints the faith to endure regardless of whatever trials they will face in this life They also give a historical perspective on the eternal nature of the human soul and the eternal consequences of mortal actions for better or for worse In the words of the publishers the purpose of publishing these narratives has been and is to increase faith in the hearts of those who peruse them by showing how miraculously God has overruled everything for the benefit of those who try to serve Him

Gems of Reminiscence George C. Lambert, *Gems of Reminiscence* as the seventeenth and final book in the Faith Promoting Series is a 1915 compilation of accounts from early Latter Day Saints each as unique as the next From personal testimonies and accounts of missionary work in the early days of the Church to experiences with cannibals and volcanoes *Gems of Reminiscence* offers insight on a wide variety of topics to interest most of those into whose hands it may come
