Written by Marcia and Barry Press, authors of PC Toys 076454229X. **32 Months In The Jail** Navneet Singh, This is the story of Sunny, a character who spent part of his life in the country Serendib. Based on the title, you might assume that this is a humorous or serious account of his 32-month incarceration. He is not some imprisoned revolutionary or protester who spent their entire life expressing his or her views and points of view while imprisoned. His story, on the other hand, is told in a modern style with some freedom and a lot of obstacles. By reading the first two paragraphs, you can see he wasn't in jail, but the way he spent these months was anything but. Based on the situation, this book covers a wide range of themes, beginning with the arrival in the jail and finishing with the release. To conceal their true identities, all the real characters and locations were given new and anonymous aliases. **Computer Repair Smartiepants** Ken Jaskulski, 2019-11-28 COMPUTER REPAIR Smartiepants was written for the computer novice.
