Why Buddhism? The Evil of Religion Joseph T. Arellano,2004-07-08 This work supports the proposition that the eradication of religion will make us live as one and there is only one way to remove religion and that is to remove the need for it Armed only with reason this work will prove that due to ignorance religion is just an invention to fill a need This work has three segments The first explores from the point of view of a Christian practicing Pagan the process on how myth became reality It will prove that God was invented and re invented perpetually for necessity and convenience It is that need that gave the bible its religious relevance Understood with a naked mind the bible is far from being just a religious document but a political one This work explores why religion and politics cannot and will not separate Hence unavoidably it dipped its hands into one painful political issue the Israeli Palestinian conflict The second part elucidates that if the foundation is a myth it only follows that what was founded on it Jesus is a lie It will give proof to the fact that the New Testament was manipulated to further vested interest Understood with an unconditioned mind that is without the traditional spirituality attached to it it will prove that Jesus is just selfishly scheming to regain his grandfather David s throne it will also prove that Jesus is gay The last part is my way of introducing Buddhism It could shed light to what Western science is exiting themselves about It answers why man will never find the Missing Link It explains how and why advanced civilizations deteriorated to their present state In our fight against virus causing disease we must explore all avenues to defeat it Buddhism offers one Buddhism is not only about science it is also about religion it delves into the reality of a soul Buddhism gives us reason on why we must discriminate on account of race or for any other reason *Church-going, Going, Gone!* Michael Horan,2015-05-11 In Church going Going Gone Michael Horan argues that although the Christian church in Britain may be in terminal decline that is not to be equated with a national decline in spiritual values Most if not all people have some level of awareness of what he calls the Other than oneself even though they have rejected or never accepted the church s now

outdated teaching Church going Going Gone is concerned less with teaching than with learning The book provides atheists agnostics and believers in exile as well as those who have given little thought to belief with a framework for collaborating as learners working toward equality peace and reconciliation and dedicated to unselfish and imaginative social action A new movement of the human spirit is beginning *Cross over to the Cross* Rev. Dr. Elie Hasbani,2020-03-10 Crossover to the Cross was a labor of love as it represents a great passion of Rev Dr Hasbani reaching the lost Evangelizing to Shia Muslims in the US and the world was the topic of his Doctorate in Ministry dissertation which involved countless hours of reading similar books research interviews and self examination Crossover to the Cross was written to help Christians recognize God s heart for Muslims and to help overcome the personal spiritual political and cultural obstacles that are preventing much of the Western Church from effectively leading Muslims to the cross of Jesus with a special emphasis on the Shia Muslims who are often feared and misunderstood and thus ignored Crossover to the Cross is comprised of a collection of four smaller books each covering unique but related content which together create a book for Christians to understand the history culture background and beliefs of Shia Muslims Each chapter is followed by a group discussion with questions to provoke thought and action The content can be easily modified for reaching all Muslims and for general evangelism Crossover to the Cross is a practical tool that can be used in a small or large group setting to train and mobilize Christians to engage in missions to Muslims And to do so boldly in love and without fear clarifying any misconceptions of the cross of Jesus Christ **The Deep Things of God** Jon Paulien,2004 This practical handbook for studying the book of Revelation brings a fresh look and helpful insights to a sometimes perplexing book **The Publishers Weekly** ,1993
