Portrait In Blood:

Portrait in Blood Mary Kirchoff, 1985-10-01 Modernism Is the Literature of Celebrity Jonathan Goldman, 2011-04-01

The phenomenon of celebrity burst upon the world scene about a century ago as movies and modern media brought exceptional larger than life personalities before the masses During the same era modernist authors were creating works that defined high culture in our society and set aesthetics apart from the middle and low brow culture in which celebrity supposedly resides To challenge this ingrained dichotomy between modernism and celebrity Jonathan Goldman offers a provocative new reading of early twentieth century culture and the formal experiments that constitute modernist literature s unmistakable legacy He argues that the literary innovations of the modernists are indeed best understood as a participant in the popular phenomenon of celebrity Presenting a persuasive argument as well as a chronicle of modernism s and celebrity s shared history Modernism Is the Literature of Celebrity begins by unraveling the uncanny syncretism between Oscar Wilde s writings and his public life Goldman explains that Wilde in shaping his instantly identifiable public image provided a model for both literary and celebrity cultures in the decades that followed In subsequent chapters Goldman traces this lineage through two luminaries of the modernist canon James Joyce and Gertrude Stein before turning to the cinema of mega star Charlie Chaplin He investigates how celebrity and modernism intertwine in the work of two less obvious modernist subjects Jean Rhys and John Dos Passos Turning previous criticism on its head Goldman demonstrates that the authorial self fashioning particular to modernism and generated by modernist technique helps create celebrity as we now know it

Hematologies Jacob Copeman, Dwaipayan Banerjee, 2019-12-15 In this ground breaking account of the political economy and cultural meaning of blood in contemporary India Jacob Copeman and Dwaipayan Banerjee examine how the giving and receiving of blood has shaped social and political life Hematologies traces how the substance congeals political ideologies biomedical rationalities and activist practices Using examples from anti colonial appeals to blood sacrifice as a political philosophy to contemporary portraits of political leaders drawn with blood from the use of the substance by Bhopali children as a material of activism to biomedical anxieties and aporias about the excess and lack of donation Hematologies broaches

how political life in India has been shaped through the use of blood and through contestations about blood As such the authors offer new entryways into thinking about politics and economy through a bloodscape of difference different sovereignties different proportionalities and different temporalities These entryways allow the authors to explore the relation between blood's utopic flows and political clottings as it moves through time and space conjuring new kinds of social collectivities while reanimating older forms and always in a reflexive relation to norms that guide its proper flow

Crown of Blood Nicola Tallis, 2016-12-06 Good people I am come hither to die and by a law I am condemned to the same These were the heartbreaking words of seventeen year old Lady Jane Grey as she stood on the scaffold awaiting death on a cold February morning in 1554 She is known to history as the Nine Days Queen but her reign lasted for thirteen days The human and emotional aspects of her story have often been ignored although she is remembered as one of the Tudor Era's most tragic victims While this is doubtless true it is only part of the complex jigsaw of Jane's story *Crown of Blood* is an important and significant retelling of an often misunderstood tale set at the time of Jane's downfall and following her journey through to her trial and execution each chapter moves between the past and the present using a rich abundance of primary source material some of which has never been published in order to paint a vivid picture of Jane's short and turbulent life *Colonel Thomas Blood: Crownstealer 1618-1680* Wilbur Cortez Abbott, 1910

The Audacious Crimes of Colonel Blood Robert Hutchinson, 2016-06-14 One morning in May 1671 a man disguised as a parson daringly attempted to seize the Crown Jewels from the Tower of London Astonishingly he managed to escape with the regalia and crown before being apprehended And yet he was not executed for treason Instead the king granted him a generous income and he became a familiar strutting figure in the royal court's glittering state apartments This man was Colonel Thomas Blood a notorious turncoat and fugitive from justice Nicknamed the Father of all Treasons he had been involved in an attempted coup d'etat in Ireland as well as countless plots to assassinate Charles II In an age when gossip and intrigue ruled the coffee houses the restored Stuart king decided Blood was more useful to him alive than dead But while serving as his personal spy Blood was conspiring with his enemies At the same time he hired himself out as a freelance agent for those seeking to further their political ambition In *The Audacious Crimes of Colonel Blood* bestselling historian Robert Hutchinson paints a vivid portrait of a double agent bent on ambiguous political and personal motivation and provides an extraordinary account of the perils and conspiracies that abounded in Restoration England

South Asian Tissue Economies Jacob Copeman, 2015-09-07 Questions of the social implications of biotechnology and biological exchange the extraction of human tissues such as blood skin and organs for testing storage and or distribution for therapeutic or research purposes have recently been brought strongly to the analytical fore across the social sciences This book focuses on the variegated biopolitical milieus of this kind of exchange specifically in South Asia It ranges widely theoretically thematically and regionally in examining South Asian variants of and engagements with diverse modes of biological exchange caste gender and blood donation in Pakistan DNA testing amongst a former Untouchable

community in south India and amongst diasporic Indians in Houston Texas body cadaveric donation in India the use of fake blood in Bangladeshi cinema the mobilisation of blood hearts and ketones to protest the Indian government's failure to provide redress or care to victims of the 1984 Bhopal industrial disaster and blood based political portraits and petitions in south India In considering this complex of issues this book extends the parameters of classic accounts of the role of substance transactions in the production of South Asian personhood into investigations of the biopolitics and economies of substance that shape people and communities in diverse parts of the subcontinent describing findings that illuminate how local responses to the implementation of various kinds of tissue economy both reflect and also transform socio cultural values in South Asia This book was published as a special issue of Contemporary South Asia The Canadian Patent Office Record Canada.
