American Men and Women in Medicine, Applied Sciences and Engineering with Roots in Czechoslovakia Miloslav Rechcigl Jr., 2021-02-17 No comprehensive study has been undertaken about the American learned men and women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on men and women in medicine applied sciences and engineering It covers immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them This compendium clearly demonstrates the Czech and Slovak immigrants including Bohemian Jews have brought to the New World in these

areas their talents their ingenuity the technical skills their scientific knowhow as well as their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for their remarkable success and achievements of these settlers in the New World transcending through their descendants as this publication demonstrates The monograph has been organized into sections by subject areas i e Medicine Allied Health Sciences and Social Services Agricultural and Food Science Earth and Environmental Sciences and Engineering Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical vantage without regards to their native language or ethnical background Some of the entries may surprise you because their Czech or Slovak ancestry has not been generally known What is conspicuous is a large percentage of listed individuals being Jewish which is a reflection of high level of education and intellect of Bohemian Jews A prodigious number of accomplished women in this study is also astounding considering that in the 19th century they rarely had careers and most professions refused entry to them

The Great Devaluation Adam Baratta, 2020-08-04 1 Business Bestseller Wall Street Journal Amazon USA Today The Great Devaluation may be one of the most timely books ever written on the state of the global economy Baratta sums it up simply enough with the following idea What seems crazy in normal times becomes necessary in a crisis The Great Devaluation is the 1 bestselling book that explains why the real crisis facing the world today is not the Coronavirus The real crisis facing the world is explosive government debt and deficits Governments are now left with no choice but to spend more than they make borrow more than they can ever repay and devalue their currencies to cover it all up Former Hollywood storyteller Adam Baratta brings monetary policy to life in this follow up to his national bestseller *Gold Is A Better Way You'll* learn how and why Federal Reserve policies have facilitated an explosion in government debt and have systematically undermined the world financial system in the name of profit The result An out of control system where financial inequality has become a ticking time bomb set to blow up the global economy

Mind over Memes Diana Senechal, 2018-10-15 Too often our use of language has become lazy frivolous and even counterproductive We rely on clichés and bromides to communicate in such a way that our intentions are lost or misinterpreted In a culture of takeaways and buzzwords it requires study and cunning to keep language alive In *Mind over Memes* Passive Listening Toxic Talk and Other Modern Language Follies Diana Senechal examines words concepts and phrases that demand reappraisal Targeting a variety of terms the author contends that a good fit may not always be desirable delivers a takedown of the adjective toxic and argues that social justice must take its place among other justices This book also includes a critique of our modern emphasis on quick answers and immediate utility By scrutinizing words and phrases that serve contemporary fads and follies this book stands up against the excesses of language and offers engaging alternatives Drawing on literature philosophy social sciences music and technology Senechal offers a rich framework to make fresh connections between topics Combining sharp criticism lyricism

and wit Mind over Memes argues for judicious and imaginative speech *Online Teaching and Learning* Beverley E.
