Objectives

- Give examples of jobs, salaries, and opportunities that are possible by participating in the Academy
- Explain how your participation in the Academy can help you take advantage of these opportunities

Try It / Solve It

1. This activity aims to develop your skills for locating, evaluating, and interpreting IT career information. Use Internet resources provided by your teacher to identify a specific job that interests you in the IT career field. Then, answer the following:

Project Manager

- a. What are the typical tasks involved in this job? **The tasks you do almost daily are managing system design, engineering, implementation, and integration; initiate and maintain partner relationships.**
 - b. What kind of social, problem-solving or technical skills are required? **Project Managers should have communication and leadership skills.**
 - c. What are the physical demands of the job? **Standing or sitting for extended periods is common for project managers.**
 - d. What kind of training/education is required for the job? **Most project management roles require a bachelor's degree or higher.**
 - e. Where are current job openings? **You can go on websites like Indeed and LinkedIn which have project managers job openings.**
 - f. How many different kinds of businesses use these job skills? **Construction businesses and Software development business uses these job skills.**
 - g. What is the salary range? **The salary range for project managers are \$68,315.**
 - h. What other entry-level jobs are within this career field? **Most of the entry level jobs are project managers anyways.**
2. Describe how taking one of the Academy courses and earning a certification exam could help prepare you for a job in that career field. **Having the certification exam can show my employer that I care and I know what I am doing in this career path.**
