

READING TEST

35 Minutes—40 Questions

DIRECTIONS: There are four passages in this test. Each passage is followed by several questions. After reading a passage, choose the best answer to each question and fill in the corresponding oval on your answer document. You may refer to the passages as often as necessary.

Passage 1

PROSE FICTION: This passage is adapted from the short story "Ebe" by Marly Swick (©1991 by the University of Iowa). Fran is the narrator of the story.

Mother, who wanted to keep her, always thought of her as some wild little bird, but I knew she was a homing pigeon. I knew that at some point in her flight path, sooner or later, she would make a U-turn. A sort of human homing pigeon. So even though I had long since stopped expecting it, I was not surprised when I walked down the gravel drive to the mailbox, which I'd painted papaya yellow to attract good news, and found the firmy envelope with the Dallas postmark. I didn't know a soul in Dallas, or Texas for that matter, but the handwriting reminded me of someone's. My own.

I walked back inside the house.

"Still raining?" Mother asked. She was sitting in her new electric wheelchair in front of the TV, painting her fingernails a neon violet.

"Just let up," I said. "Sun's poking through. You know anyone in Dallas, Mother?"

"Not so as I recall." She dabbed at her pinky with a cottonball. Mother was vain about her hands. I was used to how she looked now, but I noticed people staring in the doctor's waiting room. She had lost some weight and most of her hair to chemotherapy, and I guess people were startled to see these dragon-lady nails on a woman who looked as if she should be lying in satin with some flowers on her chest.

"Why do you ask?" she said.

I opened the envelope and a picture fluttered into my lap. It was a Polaroid of a sweet-faced blond holding a newborn baby in a blue blanket. Before I even read the letter I knew. I knew how those Nazis feel when suddenly, after twenty or thirty uneventful years, they are arrested walking down some sunny street in Buenos Aires. It's the shock of being found after waiting so long.

"What's that?" Mother said.

I wheeled her around to face me and handed her the Polaroid. She studied it for a minute and then

looked up, speechless for once, waiting for me to say the word.

"That's her," I said. "Her name's Linda Rose Carwell."

We looked at the picture again. The blond woman was seated on a flowered couch, her wavy hair just grazing the edge of a dime-a-dozen seascape in a cheap gift frame.

Mother pointed to the envelope. "What's she say?"

I unfolded the letter, a single page neatly written.

"She says she's had my name and address for some time but wanted to wait to contact me until after the birth. The baby's name is Blake and he weighs eight pounds, eight ounces, and was born by cesarean. She says they are waiting and hoping to hear back from me soon."

"That's it?"

I nodded and handed her the letter. It was short and businesslike, but I could see the ghosts of all the long letters she must have written and crumpled into the wastebasket.

"I guess that makes you a great-grandmother," I said.

"What about you?" she snorted, pointing a Jungle Orchid fingernail at me. "You're a grandmother."

We shook our heads in disbelief. I sat silently, listening to my brain catch up with my history. Forty years old and I felt as if I had just shaken hands with Death. I suppose it's difficult for any woman to accept that she's a grandmother, but in the normal order of things, you have ample time to adjust to the idea. You don't get a snapshot in the mail one day from a baby girl you gave up twenty-four years ago saying, "Congratulations, you're a grandma!"

"It's not fair," I said. "I don't even feel like a mother."

"Well, here's the living proof," Mother tapped her nail against the glossy picture. "She looks just like you. Only her nose is more aristocratic."

Practice Act Test Hamilton

Yijin Wang

Practice Act Test Hamilton:

The Law Practice of Alexander Hamilton Alastair Hamilton, Julius L. Goebel, Jr., Alexander Hamilton, 1964-08 Although deconstruction has become a popular catchword as an intellectual movement it has never entirely caught on within the university For some in the academy deconstruction and Jacques Derrida in particular are responsible for the demise of accountability in the study of literature Countering these facile dismissals of Derrida and deconstruction Herman Rapaport explores the incoherence that has plagued critical theory since the 1960s and the resulting legitimacy crisis in the humanities Against the backdrop of a rich informed discussion of Derrida's writings and how they have been misconstrued by critics and admirers alike *The Theory Mess* investigates the vicissitudes of Anglo American criticism over the past thirty years and proposes some possibilities for reform

Pediatric Allergy: Principles and Practice E-Book Donald Y. M. Leung, Hugh Sampson, Raif Geha, Stanley J. Szeffler, 2010-10-13 Pediatric Allergy supplies the comprehensive guidance you need to diagnose manage and treat virtually any type of allergy seen in children Drs Leung Sampson Geha and Szeffler present the new full color second edition with coverage of the diagnosis and management of anaphylaxis the immune mechanisms underlying allergic disease the latest diagnostic tests and more Treat the full range of pediatric allergic and immunologic diseases through clinically focused coverage relevant to both allergists and pediatricians Understand the care and treatment of pediatric patients thanks to clinical pearls discussing the best approaches Easily refer to appendices that list common food allergies and autoantibodies in autoimmune diseases Apply the newest diagnostic tests available for asthma upper respiratory allergy and more and know their benefits and contraindications Treat the allergy at its source rather than the resulting reactions through an understanding of the immune mechanisms underlying allergic diseases Get coverage of new research that affects methods of patient treatment and discusses potential reasons for increased allergies in some individuals Better manage potential anaphylaxis cases through analysis of contributing facts and progression of allergic disease Effectively control asthma and monitor its progression using the new step by step approach Eliminate difficulty in prescribing antibiotics thanks to coverage of drug allergies and cross reactivity

The Future of Test-Based Educational Accountability Katherine Ryan, Lorrie Shepard, 2010-03-17 In recent decades testing has become a much more visible and high stakes accountability mechanism that is now seen as a powerful tool that can be used to drive school improvement The purpose of this book is to identify and analyze the key issues associated with test based educational accountability and to chart the future of educational accountability research Chapter contributions are intended to be forward looking rather than a compendium of what has happened in the past The book provides an accessible discussion of issues such as validity test equating growth modeling fairness for special populations causal inferences and misuses of accountability data
