Prayers For The Road Psalm Meditations For College Students:

Prayers for the Road Currie,2000-01-01 Designed for college bound students this collection of 30 Psalms and reflections is perfect as a gift book for teens from Presbyterian churches and other Protestant denominations After each Psalm the author shares memories from his own experience and a brief meditation in the form of a letter **Searching for Truth** Thomas W. Currie,2001-01-01 How can we speak the truth as truth yet speak it in love How can we avoid the temptation either to think that we alone possess the truth or to trim the truth to make it less offensive to the world These are some of the questions that this clearly written book attempts to answer questions about the challenge of claiming and trusting the truthfulness of gospel in a time when all such truth claims are suspect The Foundations of Christian Faith series consists of twelve volumes on major theological themes such as the Trinity the Holy Spirit and the person and work of Jesus Christ This series enables readers to learn about contemporary theology in ways that are clear enjoyable and meaningful It examines the doctrines of the Christian faith and stimulates readers not only to think more deeply about their faith but also to understand their faith in relationship to contemporary challenges and questions Individuals and study groups alike will find these guides invaluable in their search for depth and integrity in their Christian faith **The Joy of Ministry** Thomas W., III Currie,2008 Subject Guide to Books in Print ,2001 **American Book Publishing Record** ,2004 Meditative Prayer Richard Peace,2015-06-22 Our prayers should go as deep as our souls Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others In today s society we ore often handicapped in our spiritual growth by too narrow a horizon when it comes to spiritual practices Each generation suffers a kind of collective amnesia forgetting the practices and perspectives that nourished countless followers of Christ in centuries past Rediscovering these skills is one way to respond to our culture s and our own deep spiritual hunger While it is seemingly preposterous for us to suppose we can interact with the God of this universe Scripture repeatedly invites us to do that very thing Prayer is not a minor idea tucked into the cracks of the text it is central normative and expected Why is it then that our prayers are so often dry and difficult In Meditative Prayer you ll discover those ways of prayer that make use of your mind and imagination that address your needs as well as strengthen your spirit By drawing from a number of different sources from Scripture from wise men and women who have gone before and from one another this study guide will enable your soul to drink deeply from the inexhaustible well of prayer Though you can use this guide for a personal journey of prayer it is ideally suited for exploration with a small group of like minded friends *T&T Clark Handbook of Christian Prayer* ,2021-12-16 The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer In the first of four parts the volume begins by reaching back to the biblical foundations of prayer Then each of the chapters in the second part investigates a classical

Christian doctrine including God creation Christology pneumatology providence and eschatology from the perspective of prayer The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues Overall the T T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer one that is deeply biblical energetically doctrinal historically rooted and relevant to a whole host of critical questions and concerns facing the world today **Forthcoming Books** Rose Army,2000 The Bookseller ,1901 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **NET, Abide Bible** Thomas Nelson,2020-07-14 Abide in me John 15 4 Do you yearn for life giving intimate communion with God The Abide Bible is designed to help you experience the peace hope and growth that come from encountering the voice and presence of God in Scripture Every feature in Abide is designed to teach and develop Scripture engagement habits that help you know the power and spiritual nourishment of abiding in Christ Created in partnership with Bible Gateway and the Taylor University Center for Scripture Engagement The Abide Bible s features include book introductions and practical Scripture engagement prompts based on five ways of interacting deeply with the Bible Praying Scripture Pattern your prayers after biblical texts personalizing the prayers and gaining language for the thoughts and emotions you want to express Picture It Place yourself in a biblical narrative as a bystander or participant in important events Journaling Focus and reflect on Scripture and its meaning for your life opening yourself to God s voice as you ponder Engage Through Art Consider a classic piece of art photograph sculpture painting and let it deepen your meditations on scriptural truths Contemplate Follow the church s longstanding practice of reading meditating on praying and contemplating a passage of Scripture in order to experience God s presence through the words of the Bible New-York Observer ,1907

International Journal of Religious Education ,1927 **The Imitation of Christ** William C. Creasy,2015-09-15 The Imitation of Christ has appeared in more editions and in more languages than any other book except the Bible Samuel Johnson once remarked to Bowell that it must be a good book as the world has opened its arms to receive it Others have praised it as well including Thomas Carlyle George Eliot Thomas De Quincey and Matthew Arnold Among the religious St Ignatius Loyola translated it and Pope John Paul I was said to have been reading it the night that he died It has been standard fare in religious training and personal devotion for centuries Yet today few people know the Imitation and those who do more often than not think it hopelessly out of date a pre Vatican II relic full of contempt for the world and self loathing It is a curious state of affairs and one that reveals more about a contemporary audience s response to the book than it does about the book itself When a contemporary reader encounters a line such as this is the highest wisdom through contempt of the world to aspire to the kingdom of heaven his response is a very different one from that of a fifteenth or nineteenth century reader For an informed response as Stanley Fish would say to the contemptus mundi theme the reader must draw deeply on

a vast complex of literary linguistic historical and theological knowledge Creasy s translation of the Imitation strives to recreate a text that provides an analogous experience to that of the fifteenth century reader Relying heavily on reader response theory he incorporates an informed reader s response into the text itself Where possible the text echoes both the deep structure and the surface structure of the Latin even to the point of replicating sentence structures and rhetorical devices while avoiding any distortion of the reader s experience Although the language and style of his translation has been crafted for modern readers the fervor and power of the original text have not been lost Dr Creasy s work on the Imitation of Christ has become the standard translation of this spiritual classic bringing it to life for a new generation of readers Book jacket Living By the Book Howard G. Hendricks, William D. Hendricks, 2007-05-01 For every person who draws strength and direction from the Bible there are many more who struggle with it Some call it a long book with fine print and obscure meaning Some call it a mystery a chore to read or an undecipherable puzzle The good news is you can easily solve this problem With over 300 000 sold this revised and expanded edition of Living by the Book will remove the barriers that keep Scripture from transforming your life In a simple step by step fashion the authors explain how to glean truth from Scripture It is practical readable and applicable By following its easy to apply principles you ll soon find yourself drawing great nourishment from the Word and enjoying the process The Living by the Book Workbook is the perfect compliment to provide practical application of lessons **Passover, Pentecost and Parousia** ,2019-05-21 Dr R Hollis Gause has been Professor of Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup *The Christian Witness, and Church Member's Magazine* ,1844 *Radio Times* ,1968 **Primitive Methodist World and Sunday School Worker** ,1898 *The Heart of Pascal* H.
