Growing Grateful Kids Susie Larson,2010-03-01 Even when economic times are tight our children enjoy an abundance of material possessions Yet amidst all this wealth discontentment and competition seem to be on the rise Instead of teaching children virtues such as gratefulness and patience many parents are bending over backwards to get their children the latest and greatest item or feeling guilty when they can't With the currents of materialism and entitlement flowing so strong how do we raise kids who are simply thankful With simple language interesting anecdotes and biblical applications Susie Larson helps readers understand that although teaching perspective and gratitude to our children is critical it is not difficult

Prayer Power Brent Patrick McDougal,2022-10-04 Prayer is the master key that opens the door to the blessings of God It opens the heart opens possibilities that are impossible by natural means and opens the door to God's presence Through a particular and persistent kind of prayer peace and power flow from God into our lives The problem is that many people have an experience of prayer that is dull unimaginative and lacking power Their prayer yields few answers and little peace Jesus's disciples said to Him Lord teach us to pray Hearing Jesus pray they knew that they needed to learn how to pray on a deeper level in order to see the miracles and transformation of persistent prayer In the same way we

need to learn the conditions of prayer that prevail so that we can walk in faith expect answers and give thanks even before prayer is answered In *Prayer Power 40 Days of Learning to Pray Like George M ller* author Brent Patrick McDougal invites you to take a forty day journey to discover that kind of prayer Each day features a teaching from Scripture and a story from the life of nineteenth century pastor George M ller one of the great heroes of our faith Over a lifetime of ministry M ller launched multiple orphanages that cared for more than 10 000 children But not once did he ever ask for donations Instead he prayed as each need arose Prayer Power teaches everyday people of faith how to pray with the faith of George M ller expecting answers because our good God is waiting to meet and reward those who seek Him *Lyme Disease* Linda Hanner,1991 Four years into her battle with Lyme disease Linda Hanner s world had become terror filled and seemingly hopeless She had reached the point where she not only longed to die but to wipe out the fact that she had ever existed Linda s story begins in 1981 in the midst of a typically hectic Minnesota summer when there was no time to slow down for illness But the vicious Lyme spirochetes that waged war on her body were unconcerned with her goals and plans One day Linda was energetic in constant motion the next she was knocked off her feet weak helpless confused For six years her illness eluded diagnosis When tests repeatedly failed to reveal any conclusive answers many doctors insisted her problems must be psychosomatic They were the professionals and they seemed so sure Before the illness Linda s faith had been strong She clung to it though it seemed to slip away from her grasp with every step further into the wilderness of chronic undiagnosed illness Finally through the maze of confusion and despair she found a place of comfort rest hope acceptance She learned to believe again in God and in her own self worth Those who have suffered with Lyme disease undiagnosed illness or depression and those who struggle with faith in the midst of pain will identify with Linda s story Book jacket *Love Was There* Susan Patrice Guarascio,2022-07-29 For everyone who needs and believes or doesn t believe in miracles my memoir *Love Was There A Testimony of Faith* is a must read If you need God s divine mercy you should read this book If you need a reminder of how much God loves you you should read this book If you need to know that God is with you every step of the way on your journey of a lifetime you should read this book If you need to believe that prayer is powerful read this book I wrote this spiritual memoir to give testimony to God s love and mercy and to give my readers hope and inspiration It s a true story tracing my spiritual growth from childhood through my personal Pentecost transformation My faith evolved and deepened after being miraculously cured of stage four cancer at a Catholic Healing Mass where I rested in the Spirit The focus of my memoir is on miracles I ve witnessed throughout my life the faith that sustained me during my suffering the love manifested in suffering and my evolving relationship with God
