Copyright Office, 1978 [Chasing His Destiny](#) John W Roberts, 2023-07-17 In the close knit African American community where Eugene Lawrence Wright was born everyone seems to have questions about his destiny but no answers Even Cousin Beulah who sets him on the path in search of his destiny left him confused And after her untimely death his father to whom he turned for clarity only offers a warning The problem for most of us is not that we never find our destiny it's just that we aren't prepared to fulfill it Eugene heeds his father's words and spends his life preparing to fulfill his destiny by committing himself to hard work and success With an incredible intellect and a tireless work ethic he is spectacularly successful eventually climbing to the top of the career ladder of his profession Despite his success Eugene refuses to accept his work as

his destiny Feeling unfilled by it and hampered in his ability to sustain a meaningful personal relationship because of his commitment to his work he lives a life without joy As he embarks on the next big move in his career will he make it another episode in his fruitless chase or realize that he must fulfill himself before he can fulfill his destiny Or will he be able to reconcile his personal and professional lives and finally claim the destiny that has always been within his grasp
