War as Performance Lindsey Mantoan, 2018-07-31 This book examines performance in the context of the 2003 Iraq War and subsequent conflicts with Daesh or the so called Islamic State Working within a theater and performance studies lens it analyzes adaptations of Greek tragedy documentary theater political performances by the Bush administration protest performances satiric news television programs and post apocalyptic narratives in popular culture By considering performance across genre and media War as Performance offers an interdisciplinary approach to the study of culture warfare and militarization and argues that spectacular and banal aesthetics of contemporary war positions performance as a practice struggling to distance itself from appropriation by the military for violent ends Contemporary warfare has infiltrated our narratives to such an extent that it holds performance hostage As lines between the military and performance weaken this book analyzes how performance responds to and potentially shapes war and conflict in the new century

The Magic Words Cheryl Klein, 2016-09-06 This master class in writing children s and young adult novels will teach you everything you need to know to write and publish a great book The best children s and young adult novels take readers on wonderful outward adventures and stirring inward journeys In The Magic Words editor Cheryl B Klein guides writers on an enjoyable and practical minded voyage of their own from developing a saleable premise for a novel to finding a dream agent She delves deep into the major elements of fiction intention character plot and voice while addressing important topics like diversity world building and the differences between middle grade and YA novels In addition the book s exercises questions and straightforward rules of thumb help writers apply these insights to their own creative works With its generous tone and useful tools for story analysis and revision The Magic Words is an essential handbook for writers of children s and young adult fiction

Islands and Captivity in Popular Culture Laura J. Getty, 2021-07-14 The choices that individuals make in moments of crisis can transform them By focusing on fictional characters trapped on fictional islands the book examines how individuals react when forced to make hard choices within the liminal space of a prison island At stake is the

perception of choice do characters believe that they have the power to choose or do they think that they are at the mercy of fate The results reveal certain patterns psychological historical social and political that exist across a variety of popular public cultures and time periods This book focuses on how the interplay between liminality and the Locus of Control theory creates dynamic sites of negotiated meaning This psychological concept has never before been used for literary analysis Offered here as an alternative to the defects of Freudian psychology the Locus of Control theory has been proven reliable in thousands of studies and the results have been found with few exceptions to be consistent in both women and men That consistency is explored through close readings of islands found in popular culture books films and television shows with suggestions for future research
