

Teacher Information Page

Student Packet:

This student packet can be printed and then revised if you do not have students write in the m.

Student Vocabulary:

Students can use the study guide to study vocabulary lists. I usually gave students a few days after finishing the chapter before giving them the vocabulary test. When the book is finished, you can do a detrafter book reading activity before giving the last test.

Student Vocabulary Tests:

The vocabulary tests are not in the same order as the study guide. This ensures that students know the material vs. just memorizing letter answers in order.

Order in Chapters:

| | |
|----------------------|---|
| Vocabulary Sentences | These are used for word from the book. The page number is available for the students to find them easily. ***Vocabulary sentences do not include "Poetry Language" |
| Questions | Students will find the answer for these in order throughout the chapter unless otherwise specified. Students should take answers from the book. |
| Opinion Responses | These are students' responses to the questions; however, they should answer it fully and thoughtfully. Not just one-word answers. |

Suggested Daily Order:

- 1) Define vocabulary on study guide before reading each chapter.
- 2) Read questions for the chapter before reading so students know what they are listening for.
- 3) Read chapter aloud to students (may choose to have students read aloud to the class, in a group, or alone).
- 4) Explain chapter activities if any or any questions students may have.
- 5) Students start working on homework.
