Reading Strategies: Making Connections

Making Connections

Good readers relate what they read to other experiences and knowledge.

There are three types of connections:

- Text-to-Self -- connections between the text and the reader's life and experiences
- Text-to-Text -- connections between the text and other books, movies, songs, articles
- Text-to-World -- connections between the text and events in the real world and history

Directions: Record the connection you made while reading. Be sure to include the page or paragraph number.

| Types of Connections | Connections I made |
|---|--------------------|
| Text-to-Self  This reminds me of when I ... I can connect to the book because ... I connected to this when ... | |
| Text-to-Text  This reminds me of another book I read because ... This part makes me think of ... This is similar to ... | |
| Text-to-World  This makes me think about ... This part makes me remember ... This is like ... | |
