50 Real Ghost Stories M J Wayland,2013-02 A real ghost story should never end perfectly That is my rule of thumb After investigating ghost experiences for nearly thirty years I realised that the finely polished stories told by storytellers and ghost walkers were exactly that polished In polishing stories we lose the personality of the haunted and indeed the haunter itself that is why in my books research papers and articles I always maintain the original testaments and facts The stories that I have collected for you now are rough diamonds totally unpolished and any additions by myself are kept to a minimum and noted clearly P 4 of cover
