CLASH! Sandra Vavra,Sharon L. Spencer,2011-09-01 This book offers ideas that secondary teachers university content faculty and teacher educators can use to challenge traditional literacy practices and demonstrate creative innovative ways of incorporating new literacies into the classroom all within a strong theoretical framework Teachers are trying to catch up to the new challenges of the twenty first century It is a superheroic feat that must be achieved if education is to stay relevant and viable There is a lot of zip bam whap and wow in the fast paced social networking technological world but not so much in the often laboriously slow paced educational world Where is the balance How do teachers and students learn together since one group has seasoned wisdom with limited technological know how and the other uses all the cool new tools but not in the service of learning These are some important issues to consider in finding the balance in an unstable fast moving ever changing world This book is practical and useful to literacy teachers teacher educators and university faculty by bringing together the expertise of

composition rhetoric researchers and writers literacy specialists technology specialists and teachers who are on the cutting edge of new literacies The Art of Confession Christopher Grobe,2017-11-07 The story of a new style of art and a new way of life in postwar America confessionalism What do midcentury confessional poets have in common with today's reality TV stars They share an inexplicable urge to make their lives an open book and also a sense that this book can never be finished Christopher Grobe argues that in postwar America artists like these forged a new way of being in the world Identity became a kind of work always ongoing never complete to be performed on the public stage The Art of Confession tells the history of this cultural shift and of the movement it created in American art confessionalism Like realism or romanticism confessionalism began in one art form but soon pervaded them all poetry and comedy in the 1950s and 60s performance art in the 70s theater in the 80s television in the 90s and online video and social media in the 2000s Everywhere confessionalism went it stood against autobiography the art of the closed book Instead of just publishing these artists performed with around and against the text of their lives A blend of cultural history literary criticism and performance theory The Art of Confession explores iconic works of art and draws surprising connections among artists who may seem far apart but who were influenced directly by one another Studying extraordinary art alongside ordinary experiences of self betrayal and revelation Christopher Grobe argues that a tradition of confessional performance unites poets with comedians performance artists with social media users reality TV stars with actors and all of them with us There is art this book shows in our most artless acts

The Representation of Japanese Politics in Manga Roman Rosenbaum,2020-10-29 This edited volume explores political motives discourses and agendas in Japanese manga and graphic art with the objective of highlighting the agency of Japanese and wider Asian story telling traditions within the context of global political traditions Highly illustrated chapters presented here investigate the multifaceted relationship between Japan's political storytelling practices media and bureaucratic discourse as played out between both the visual arts and modern pop cultural authors From pioneering cartoonist Tezuka Osamu contemporary manga artists such as Kotobuki Shiriagari and Fumiyo K no to videogames and everyday merchandise a wealth of source material is analysed using cross genre techniques Furthermore the book resists claims that manga unlike the bandes dessinées and American superhero comic traditions is apolitical On the contrary contributors demonstrate that manga and the mediality of graphic arts have begun to actively incorporate political discourses undermining hegemonic cultural constructs that support either the status quo or emerging brands of neonationalism in Japanese society The Representation of Politics in Manga will be a dynamic resource for students and scholars of Japanese studies media and popular cultural studies as well as practitioners in the graphic arts Visualization: Theory and Practice in Science Education John K.
