**In Real Life** Joey Graceffa, 2015-05-19 A confessional uplifting memoir from beloved YouTube personality Joey Graceffa. It's not where you begin that matters. It's where you end up. Twenty-three-year-old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence, not to mention his sparkling eyes and perfect hair. Yet Joey wasn't always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life, but also isn't afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments, and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm, hearted, and inspiring, Joey Graceffa's story is a welcome reminder that it's not where you begin that matters, but where you end up.

**Rum** Charles A. Coulombe, 2005 In this sweeping volume, Charles Coulombe explores the fascinating origins and far-reaching legacies of the drink that kept the British Navy afloat for 300 years while establishing a colourful reputation as a mainstay of buccaneers, revolutionaries, and trendsetters. From rum's role in the Boston Tea Party to its dubious distinction as the centre of the soul-crushing colonial Triangle Trade, here is the uncorked truth about the beverage that altered world history. Spiked with tantalising recipes, *Rum* is intriguing, informative, and utterly intoxicating.

**Vietnam Did It** Larry Long, 2023-04-06 A shy, immature, reluctant young soldier finds himself on a darkened jet making his descent onto an airfield in Vietnam. What Larry Long didn't realize, however, was that he was also descending into a hole of pot, booze, and pills, one that would take him years to escape. In this memoir, he looks back at his army service, beginning with the worst eight weeks of his life: basic training. During that time, he didn't make any friends or gain any self-confidence. All he did was long for home. Having received his draft notice, he was on that plane because he had to be; it was not about fighting communism or fighting for freedom. After experiencing the hell of war, he

returned home and made friends with a co worker who turned him on to something called amphetamines The only problem was they prevented him from sleeping but smoking marijuana solved the problem Join the author as he recalls the evils of war and how the Lord transformed him from being someone whose body took him where he didn t want to go to a man whose spirit takes his body to where it is happy to go      **The Author & Journalist** ,1930      **The American Hebrew** ,1924
