Reaper 3 User Guide:

Death: A User's Guide Tom Hickman, 2003-07-01 Everything you always wanted to know about life when you're six feet under. Let's face it, death is one of the most important events in life and it never hurts to be prepared. Herein you'll explore such provocative questions as: Is there life after death? Is the Hereafter sexist? And most important: How do you know you're dead? This eye-opening collection of amusing tidbits, historical facts, and macabre curiosities probes the mysterious state that has stymied scholars and spiritualists since the beginning of time. Did you know? An Australian woman had her husband's ashes inserted in her breast implants to keep him close to her heart. See page 118. Heavy drinking combined with excess body fat can result in Spontaneous Human Combustion. See page 191. Statistically, you're more likely to be killed by walking 660 1 than by lightning 55 000 1. See page 193. PLUS Sex and Death, Graves of the Rich and Famous, Body Snatching and Grave Robbing, Ghosts, Ghouls, and the Undead. And Much More. **Chronicles of Fictitious Fiction** Shelby Witcher, 2023-01-30

Chronicles of Fictitious Fiction An Angel May Role Play By Shelby Witcher. About the Book: An accumulation of dreams. *Chronicles of Fictitious Fiction* is a mind-bending venture through reality and fiction, dreams and waking, good versus evils, Angels and Demons. Known was once a man who felt like his life was heading nowhere until a life-altering voice began speaking with him, leading him to his true destiny. His journey is not for the faint of heart; his mediocre life is replaced with wealth, power, sex, and absurd violence to please alien lifeforms looking to feel true terror and fear on Earth. Will Known discover this world to be all a dream? Or is the reality stranger than even where his wildest imaginations could take him?
