Another in the series of The Food Enthusiast's highly informative restaurant guides. *2022 Chicago Restaurants* Andrew Delaplaine, 2021-11-12. Andrew Delaplaine is the ultimate Restaurant Enthusiast. With decades in the food writing business, he has been everywhere and eaten almost everything. Unlike the honest reviews on sites like Yelp, this writer knows what he's talking about. He's a professional with decades in the business, not a well intentioned but clueless amateur. Holly Titler, Los Angeles. This concise guidebook was exactly what I needed to make the most of my limited time in town. Tanner Davis, Milwaukee. This is another of his books with spot on reviews of the most exciting restaurants in town. Some will merit only a line or two just to bring them to your attention. Others deserve a half page or more. The fact that he doesn't accept free meals in exchange for a good review makes all the difference in his sometimes brutally accurate reviews. Jerry Adams, El Paso. Exciting does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve, and that they so loudly demand, but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town.
