A Bittersweet Nostalgia Vishal Gupta, 2012-09 A few of us are troubled enough that we choose to walk the remainder of this road called life searching for answers and achieving some significance and bliss An adolescent found the courage in his frailty to renounce everything and escape into the refuge of the wilderness of Northern India Due to a vivid nightmare he faltered at the last moment and stayed put within the confines of his tormented urban existence A year passed and his compulsive impulse for that escape was suppressed Rebuilding a new way to live he channeled and fed those impulses by trekking into the mountains of Maharashtra trailing through the forests of Bhandavgarh and Tadoba Andhari whilst getting too close to tigers and crocodiles In doing so he transformed himself into a true backpacker But something was still amiss Love It took just one woman to undo all the good The adolescent turned man found himself weaker than ever before and drenched in despair He was back where he started fighting the same impulse to escape into the Northern Mountains Will the road cease for him or will he find a silver lining ahead See where his path leads him in **A Bittersweet Nostalgia**
