Authors **Jarvis's Health Assessment and Physical Examination - E-Book** Helen Forbes, Elizabeth Watt, 2024-12-03

The ideal student guide to assessing a person's health. Jarvis's Health Assessment provides the foundational knowledge and skills every nurse needs to assess people's health. Written by leading academics and clinicians, this text will help the learner seamlessly combine their knowledge of human anatomy and physiology with clinical assessment, communication and clinical reasoning skills. Its logical structure covers key theories, frameworks, techniques, specific areas of human function and how to apply health assessment knowledge and skills in practice. The fourth edition has been fully updated for Australia and Aotearoa New Zealand and is relevant for each year of the undergraduate or pre-registration curriculum across multiple subjects. It is accompanied by a wealth of learning and teaching resources to help learners grasp both theoretical and practical concepts. Ideal for pre-registration course students, beginning and experienced registered nurses and those undertaking advanced practice roles. Clearly separates knowledge and skills for nurses at a beginning level and those who have clinical experience, making it easy for teachers and students to identify content relevant to their level of learning. Includes case studies to illustrate the initial parts of the clinical reasoning process and documentation of health assessments. Easy to navigate with a clear structure and colour coding. Extensive use of illustrations to clarify important anatomical and physiological concepts. Accompanying resources include videos showcasing physical examination skills, PowerPoints and summative MCQ test banks. A focus on person-centred care, health education, inclusive practice and lifespan. Instructor resources on Evolve, PowerPoints, Image collection, Test banks. Student and instructor resources on Evolve. Skills videos. Fully updated reflecting current practice and guidelines in Australia and Aotearoa New Zealand. Restructured content to support learning. Significant revisions of chapters on screening for family violence and substance misuse. Revisions of chapters on communication skills. Further development of approaches to gender diversity and inclusion.
