Reading The Gospel Of Mark As A Novel:

Reading the Gospel of Mark as a Novel Geert Van Oyen, 2014-11-12 The world is flooded with novels about secret messages or hidden texts They all pretend to reveal the ultimate truth of Jesus In this book Geert Van Oyen goes back to the oldest gospel and explores its story as a challenging and revolutionary message for any reader By employing a narrative critical approach Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist Jesus Along the way readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience Who can remain indifferent when they hear the paradox at the heart of the gospel Whoever wishes to become great among you must be your servant and whoever wishes to be first among you must be slave of all Reading the Gospel of Mark as a Novel Geert Van Oyen, 2014-11-12 The world is flooded with novels about secret messages or hidden texts They all pretend to reveal the ultimate truth of Jesus In this book Geert Van Oyen goes back to the oldest gospel and explores its story as a challenging and revolutionary message for any reader By employing a narrative critical approach Van Oyen demonstrates how the narrator accompanies readers in their quest for the identity of the protagonist Jesus Along the way readers will discover that faith in Jesus is not a matter of theoretical truth but of practical experience Who can remain indifferent when they hear the paradox at the heart of the gospel Whoever wishes to become great among you must be your servant and whoever wishes to be first among you must be slave of all **Re-reading the Gospel of Mark Amidst Loss and Trauma** Maia Kotrosits, H. Taussig, 2013-10-16 Examining contemporary films sculptures and graphic novels influenced by the Gospel of Mark Hal Taussig and Maia Kotrosits break new ground in ways of understanding traditional religious texts The authors avoid traditional dogmatic assumptions and use the Gospel of Mark as a resource for coping and healing *A Postcolonial Reading of Mark's Story of Jesus* Simon Samuel, 2007-04-18 This unique contribution to Markan studies reads Mark's story of Jesus from a postcolonial perspective It proposes that Mark need not necessarily be treated in an oversimplified polarity as an anti or pro colonial discourse Instead it may be treated as a postcolonial discourse i e as a hybrid discourse that accommodates and disrupts both the native Jewish and the Roman colonial discourses of power It shows that Mark accommodates itself into a strategic third space in between the variegated native Jewish and the Roman colonial discourses in order to enunciate its own voice As an ambivalent and hybrid discourse it mimics and mocks accommodates and disrupts both the Jewish as well as the Roman colonial voices The portrait of Jesus in Mark which Samuel shows to be encoding also the portrait of a community exhibits a colonial postcolonial conundrum which can neither be damned as pro nor be praised as anti colonial in nature Instead the portrait of Jesus in Mark may be appreciated as a strategic essentialist and transcultural hybrid in which the claims of difference and the desire for transculturality are both contradictorily present and visible In showing such a portrait and invoking a complex discursive strategy Mark as the discourse of a subject community is not alone or unique in the Graeco Roman world A number of discourses historical

creative novelistic and apocalyptic of the subject Greek and Jewish communities in the eastern Mediterranean under the imperium of Rome from the second century BCE to the end of the first century CE exhibit very similar postcolonial traits which one may add to be not far from the postcolonial traits of a number of postcolonial creative writings and cultural discourses of the colonial subject and the dominated post colonial communities of our time

Gospel of Mark, The Aguilar Chiu, José Enrique, 2023 This book provides a concise introduction to the Gospel of Mark giving emphasis to the theological message of the book The thesis of this book is that it is possible to understand the entire narrative as a coherent theological exposition of the life and mission of Jesus and that such narrative involves the reader vis vis the person of Jesus The recognition of the identity of Jesus does not leave the reader just with more information about the life of Jesus e g in the case of a biography nor does it simply offer a description of the difficult path of discipleship e g in the case of a drama or a novel but invites the readers to unite themselves to Jesus and to follow his path acknowledging the necessary work of the Spirit of Jesus

Reading Mark's Gospel as a Text from Collective Memory Sandra Huebenthal, 2020-05-28 How did the Gospel of Mark come to exist And how was the memory of Jesus shaped by the experiences of the earliest Christians For centuries biblical scholars examined texts as history literature theology or even as story Curiously absent however has been attention to processes of collective memory in the creation of biblical texts Drawing on modern explorations of social memory Sandra Huebenthal presents a model for reading biblical texts as collective memories She demonstrates that the Gospel of Mark is a text evolving from collective narrative memory based on recollections of Jesus's life and teachings Huebenthal investigates the principles and structures of how groups remember and how their memory is structured and presented In the case of Mark's Gospel this includes examining which image of Jesus as well as which authorial self image this text as memory constructs Reading Mark's Gospel as a Text from Collective Memory serves less as a key to unlock questions about the historical Jesus and more as an examination of memory about him within a particular community providing a new and important framework for interpreting the earliest canonical gospel in context

Mark Bas M. van Iersel, 2005-03-01 An incisive and comprehensive episode by episode commentary on the Gospel of Mark There is a special focus on the contribution of each episode to the overall meaning of the Gospel at both the level of the story and the level of the discourse As a reader response commentator the author's concern is constantly with the effect of Mark's story on its readers engaging both the situation of the original audience of Mark Christians of Gentile origin in Rome shortly after the Neronian persecutions and with that of the present day reader

First-Century Gospel Storytellers and Audiences Thomas E. Boomershine, 2022-07-29 These essays explore the reconception of the Gospels as first century compositions of sound performed for audiences by storytellers rather than the anachronistic picture of a series of texts read by individual readers The new paradigm implicit in these initial experiments is based on the recent realization that the majority of persons 85 to 95 percent were illiterate and experienced the Jesus stories as members of audiences Either from memory or from memorized manuscripts the evangelists performed the Gospels as an evening's entertainment of two to four hours The audiences were predominantly addressed as Hellenistic Judeans who lived in the aftermath of the Roman Jewish war When heard whole the Gospels were vivid experiences of the central character of Jesus These studies of audience address and the interactions between first century storytellers and audiences reveal a dynamic performance literature that functioned as scripts for an ever expanding network of storytelling proclamations whose envisioned horizon was the whole world When the Gospels were told at one time from beginning to end they invited the listeners to move from being peripherally interested or

initially opposed to Jesus to identifying themselves as disciples of Jesus and believers in him as the Messiah **Reading the Gospel of Mark in the Twenty-first Century** Geert van Oyen,2019 Since the beginning of the twenty first century there has been an increasing need to examine each method s added value to the better understanding of Mark s Gospel In this volume forty two researchers reflect on the success of the various approaches The book can be read as a dialogue between scholars It integrates their reflecti The Theological Intentions of Mark's Literary Devices Dean B.
