**Illusions of a Love Story** Nadia Aidan, 2008-10 SHE FALLS INTO THE DEPTHS OF SILENTNESS She wrote her love story and finally let it go She set it in the hands of fate which is something one does not often do No words need to be followed for those words will not mean anything in a realm of time that just stands still Living and learning from the blindness of the unknown she followed and trusted the spirits to bring the guidance of teachings into her reality She remembers coming to a place many years ago finding the strength within after all the pain and suffering that occurred Letting go of all internally and externally

to do what she came here to do She listened to and believed in her guidance to have a conversation with one which changed the person she used to be into the person she needed to be The words that follow are only the words she feels and knows in her heart She learned from the one the most powerful lessons in reality basing happiness on another attachment letting go ego desires and being in the present moment of now The love that stood strong for one showed the love was eternally true  
INTERTWINING TWO VIEWS OF LOVE TO FIND ONE It s amazing what your heart tells you when you think you are not listening
