The image displays two educational worksheets. The background worksheet is titled "Spanish Clothing Unit Fashion Show Project" and includes instructions for a classroom activity where students design outfits and write descriptive paragraphs. The foreground worksheet is a student response titled "Mi menú español" (My Spanish menu), which includes a drawing of a menu card and a list of instructions for creating a menu in Spanish.

Spanish Clothing Unit Fashion Show Project

You and your partner will take part in an exciting and thrilling fashion show *español*! For this project, you will envision an outfit that you would like to wear on the day of the fashion show. You will write a paragraph in which you describe the outfit while your partner acts as the commentator, presenting your outfit to the audience. Then, your partner will model the outfit while you present the outfit. This is your chance to have fun, accommodate, and be creative as possible!

Step One: Envision an outfit that you would like to wear on the day of the fashion show. Your outfit should include 8 different articles of clothing and accessories. Use the Project Organizer to help you come up with your outfit.

Step Two: Draft your descriptive paragraph, in which you describe the outfit while your partner acts as the commentator, presenting your outfit to the audience. Remember, your partner will model the outfit while you present the outfit.

My menú español

Everyone likes going to a restaurant or cafe to eat or drink something delicious, right? For this project, you are going to imagine that you are the owner of a restaurant in a Spanish-speaking country. You will create a menu (comparing to Spanish) of course, you will use a lot of creativity related to food and drink.

Here are the tasks and requirements of this project:

- Create a menu in Spanish. You may create either an electronic version on the computer or submit a physical product that you will create using markers, markers, photos that you have printed out, cut out of a magazine, etc.
 - Draw the name, address, and telephone number of your restaurant.
 - Specify the type and hours of operation.
 - Choose the theme of your restaurant.
 - Is it a very elegant restaurant? A small, cozy, or a family-friendly restaurant?
 - What kinds of food does it serve at your restaurant? Breakfast, lunch, dinner, etc.?
 - Create categories for your menu, for example: Appetizers, Main Dishes, Desserts, etc.
 - For each category, describe food and drink items.
 - Be sure there are at least 10 items on the menu.
 - Be sure to include the price of each item.
