The Miracle of the Resurrection Trevelyan, 2018-03-06 The impossibility of miracles is the concept which unites the devout and the skeptical For the devout it is the proof of divine intervention For the skeptical it is the proof that miracles simply do not occur But the concept is false based on a flawed understanding of probability Also lacking in contemporary discussion of the resurrection is modern medical insight into the nature of death the processes leading to shock and coma and the mechanisms of resuscitation Any rational analysis of the biology of the resurrection tends to be lumped in with the ridiculous Swoon Theory from the 19th century and promptly dismissed This book dissects the evidence on the crucifixion on the conduct of Pilate and the Sanhedrin and on the resurrection appearances Using this evidence we can define the precise sequence of events enabling a resurrection to occur It depended on a series of steps each with a low probability of success resulting in a final outcome occurring only once in all of recorded history But none of the steps is outrageously implausible With modern insight we can shed the flawed notion of impossibility and appreciate the wonderful miracle which changed history and set humanity on the pathway towards the modern world *My Miracle and Living the Gospel* Lee Stoneking Ministries, 2011-08-23 **Provisional Miracles of Jesus** Scott Perdue, 2024-09-30 Provisional Miracles of Jesus Provision through Supernatural Means Discover the Life Changing Power of God s Provision In Provisional Miracles of Jesus Provision through Supernatural Means uncover how Jesus met the needs of His people through incredible acts of provision This transformative book explores 10 of Jesus most powerful miracles each revealing how divine provision can bring abundance peace and healing into your life Through the Miracle of Feeding the 5 000 you ll learn how God multiplies resources in times of scarcity Explore the Turning of Water into Wine where Jesus transforms the ordinary into the extraordinary meeting not just physical needs but also restoring joy and celebration The Miraculous Catch of Fish and Jesus Calming the Storm teach us about obedience trust and the peace that only God s provision can bring during life s most turbulent moments Experience the powerful healings of the woman with the issue of blood and the man born blind as Jesus meets both physical and spiritual
