

Personal Narrative Example

Title

Mashed Potato Pizza

Introduction

My grandpa always tells me that people who laugh at their own mistakes will get everyone else to laugh along with them. Yesterday, I learned that he is right.

Beginning of the Story

"Stay in line," Mrs. Martin said. I knew right away that my friend Naomi wouldn't be able to cut. I looked at Naomi and frowned. Soon, the line began to move faster, and I followed along hoping that there would still be pizza.

When I reached the counter, I looked at the choices. I could only see chicken and mashed potatoes, macaroni and cheese, and fish. I could hear the rumbling of my very disappointed stomach.

Then, out of the corner of my eye, I saw one last piece of pepperoni pizza. I got so excited.

Middle Events

"Pepperoni pizza," I said politely. Mrs. Martin handed me the pizza. I took the paper plate so quickly that the pizza slid off the plate. I tried to save it, but the pizza landed in the pan of hot, buttery mashed potatoes.

I could feel my face turning redder and redder. All I could hear was laughter from the kids in line.

As I looked at the upside-down pizza, I heard Mrs. Martin's voice. "Maria, would you like a side of mashed potatoes with your pizza?"

End of the Story

I looked up and saw Naomi. She was laughing too. With a nervous smile, I said, "Of course."

Mrs. Martin smiled and scooped the mashed potato pizza on my plate. I looked around at my friends, and we all laughed again.

Conclusion

I never really believed my grandpa until I saw my friends laughing with me. The laughing made me feel good instead of just clumsy.

Academic Vocabulary Christine Dugan, 2011-06 Integrate academic vocabulary

instruction into content area lessons with this engaging new resource for Level 1 which provides teachers with 12 easy to implement strategies for teaching academic vocabulary Included are 25 step by step standards based lessons that each incorporate two vocabulary strategies Also included are activity pages and assessments an answer key and a Teacher Resource CD

15 Easy Lessons That Build Basic Writing Skills in Grades K-2 Mary Rose,2002 Put your students on the road to success with these easy lessons that build basic writing skills and get kids ready for the standardized tests These hands on activities teach punctuation capitalization sequencing and much more Students learn about periods by mini stop signs at the end of sentences in the morning message identify main idea by brainstorming titles to stories and use graphic organizers to plan their own stories

Teaching Academic ESL Writing Eli Hinkel,2003-10-17 Teaching Academic ESL Writing Practical Techniques in Vocabulary and Grammar fills an important gap in teacher professional preparation by focusing on the grammatical and lexical features that are essential for all ESL writing teachers and student writers to know The fundamental assumption is that before students of English for academic purposes can begin to successfully produce academic writing they must have the foundations of language in place the language tools grammar and vocabulary they need to build a text This text offers a compendium of techniques for teaching writing grammar and lexis to second language learners that will help teachers effectively target specific problem areas of students writing Based on the findings of current research including a large scale study of close to 1 500 non native speakers essays this book works with several sets of simple rules that collectively can make a noticeable and important difference in the quality of ESL students writing The teaching strategies and techniques are based on a highly practical principle for efficiently and successfully maximizing learners language gains Part I provides the background for the text and a sample of course curriculum guidelines to meet the learning needs of second language teachers of writing and second language writers Parts II and III include the key elements of classroom teaching what to teach and why possible ways to teach the material in the classroom common errors found in student prose and ways to teach students to avoid them teaching activities and suggestions and questions for discussion in a teacher training course Appendices to chapters provide supplementary word and phrase lists collocations sentence chunks and diagrams that teachers can use as needed The book is designed as a text for courses that prepare teachers to work with post secondary EAP students and as a professional resource for teachers of students in EAP courses

Grade 1, Personal Narrative: Telling Our Stories ,2001 *Students Who Are Exceptional and Writing Disabilities* Gary A. Troia,Steve Graham,2017-10-19 This special issue examines four critical aspects of writing instruction for students with disabilities prevention classroom practice instruction and assessment The first article addresses writing strategy instruction for young students at risk for long term writing difficulties Next special and general education middle school educators epistemology is explored regarding writing development and instruction their self reported teaching practices and the challenges they faced as they strive to teach middle school students how to effectively use writing as a communicative medium and learning tool

The third article reviews and critiques state writing standards and describes an instructional plan to help students with disabilities and other struggling writers master composing strategies and processes that may equip them to meet state standards in writing. Finally a review is presented of the extant research on various methods of writing assessment including holistic primary trait and analytic scoring methods with particular emphasis on Curriculum Based Measurement an assessment technique well suited for children and youth in special education
