The Eat-Clean Diet Cookbook 2 Tosca Reno,2011-05-17 The best selling Eat Clean Diet series has helped millions of people around the world lose weight and get healthy one recipe and one meal at a time Readers wanted more recipes and Tosca delivers with over 150 brand new mouthwatering recipes all nutritious easy to prepare and designed to help you shed unwanted fat and get the body of your dreams Gorgeous full color photos for each recipe throughout **Mastering the Art of French Cooking, Volume 1** Julia Child,Louisette Bertholle,Simone Beck,2011-10-05 NEW YORK TIMES BESTSELLER The definitive cookbook on French cuisine for American readers What a cookbook should be packed with sumptuous recipes detailed instructions and precise line drawings Some of the instructions look daunting but as Child herself says in the introduction If you can read you can cook Entertainment Weekly I only wish that I had written it myself James Beard Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way Mastering the Art of French Cooking offers something for everyone from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine Julia Child Simone Beck and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring green peas Throughout the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations bound to increase anyone s culinary repertoire Julia has slowly but surely altered our way of thinking about food She has taken the fear out of the term haute cuisine She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique and she has elevated our consciousness to the refined pleasures of dining Thomas Keller The French Laundry 'Tales from the Tale' Chef Philip Andriano,2013-11-18 Each recipe is divided into steps of preparation which is the method Im trying to convey and a list of ingredients required during each step I write each recipe for two servings because if you are as bad at math as I am it is easier to turn a recipe for two into a recipe for eight than it is to turn a recipe for eight into a recipe for two Also when you try out a recipe you probably want a small audience so I have downsized the recipes for use by the home kitchen chef Each recipe also contains notes for each step These should be referred to before attempting the recipe These notes give some reason behind the directions or act as technical standpoints or safety warnings These notes can provide the reader with enlightenment about the recipe and the method I also want to avoid being strict in recipes The problem with most chefs cookbooks is that they are too technical too egocentric and too
