Primary Gift Kelly F. Holland,2014-05-15 Early in my life I faced great challenges I could not be a child like my siblings or my classmates My journey was different In my school I learned about schizophrenia and physical violence My teacher was very powerful As an adolescent I lost my way I became a ward of the court and completed my high school education while living in a state group home In 1989 at age twenty six I met an exemplary professional who began to show me the way For the next twenty years and beyond I learned lessons of discipline love and respect for self and others Soon my lifes success began to unfold At age twenty six I received my lifes primary gift In 1999 I became on fire for my life because of the excellence that I had witnessed in another person I began to dream of talking to the world about the excellence that lives within each one of us I relocated my life to the desert Southwest It was there that I began to hear my hearts song and awaken to the excellence of my lifes journey It was there that I discovered the wisdom of my lifes teachings I believe that no matter what circumstances you may find yourself in excellence is present And no matter how desolate you
