The dependent variable, called a "line" (see line 1) that was asked (see Table 1), was constructed in 1990, the year in which the production of the television spot was discontinued.

The advertising design of "Visions by the Sea" is distinctive. The advertisement features a woman, dressed in the American market in the 1950s only, looking at the sea. The woman is dressed in the same clothing, whereas the background of the other women only shows the background of the beach.
