Critical and Cultural Interactionism Michael Hviid Jacobsen, 2019-03-28 One of the longest standing traditions in sociology interactionism is concerned with studying human interaction and showing how society to a large part is constituted by patterns of interaction In spite of the work of figures such as Robert E Park Everett C Hughes Erving Goffman Herbert Blumer Norman K Denzin and Gary Alan Fine interactionism perhaps owing to its association with the perspective of symbolic interactionism remains something of an odd man out in mainstream sociology This book seeks to rectify this apparent neglect by bringing together critical social theories and microsociological approaches to research thus revealing the critical and cultural potentials in interactionism the chapters arguing that far from being

oriented towards the status quo interactionism in fact contains a critical and cultural edge Presenting the latest work from some of the leading figures in interactionist thought to show recent developments in the field and offer an overview of some of the most potent and prominent ideas within critical and cultural criminology Critical and Cultural Interactionism will appeal to scholars of sociology with interests in interactionism social theory research methods and criminology **The Routledge Companion to Performance Philosophy** Laura Cull Ó Maoilearca, Alice Lagaay, 2020-07-08 The Routledge Companion to Performance Philosophy is a volume of especially commissioned critical essays conversations collaborative creative and performative writing mapping the key contexts debates methods discourses and practices in this developing field Firstly the collection offers new insights on the fundamental question of how thinking happens where when how and by whom philosophy is performed Secondly it provides a plurality of new accounts of performance and performativity as the production of ideas bodies and knowledges in the arts and beyond Comprising texts written by international artists philosophers and scholars from multiple disciplines the essays engage with questions of how performance thinks and how thought is performed in a wide range of philosophies and performances from the ancient to the contemporary Concepts and practices from diverse geographical regions and cultural traditions are analysed to draw conclusions about how performance operates across art philosophy and everyday life The collection both contributes to and critiques the philosophy of music dance theatre and performance exploring the idea of a philosophy from the arts It is crucial reading material for those interested in the hierarchy of the relationship between philosophy and the arts advancing debates on philosophical method and the relation between Performance and Philosophy more broadly Chapter 19 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
