Barbary Entanglements John M. Chamberlin,2025-12-01 How the United States confrontation with North African raiders established its legitimacy on the world stage For the fledgling United States of America the first major foray onto the international stage came off the North African coast in the waters of the Mediterranean Sea When Barbary corsairs preyed on American merchant ships their young government and new navy were compelled to step in *Barbary Entanglements* shows how interactions with the Barbary states the independent empire of Morocco and the semi autonomous Ottoman regencies of Algiers Tunis and Tripoli over the issue of privateering transcended economic grievances and allowed American consuls and servicemen to demonstrate the viability and reliability of their new nation within the European diplomatic system More than simply protecting trade US intervention against Barbary corsairs between 1784 and 1825 aimed to establish American sovereignty and demonstrate treaty worthiness to their European sister nations In this deeply researched and insightful study John Chamberlin not only offers a granular account of how the Barbary system of corsairing and ransom slavery worked over four decades He also highlights nascent federal authorities coordinating diplomatic efforts with lesser European powers such as Sweden and Denmark to gain legitimacy and he makes unprecedented use of Arabic language sources to reframe what we know about the development of early American foreign policy In the process he offers a dramatic retelling

of how the United States first announced itself as a force to be reckoned with on the international scene City Document

Dawisha,2014-09-30 The raging question in the world today is who is the real Vladimir Putin and what are his intentions
Karen Dawisha s brilliant Putin s Kleptocracy provides an answer describing how Putin got to power the cabal he brought
with him the billions they have looted and his plan to restore the Greater Russia Russian scholar Dawisha describes and
exposes the origins of Putin s kleptocratic regime She presents extensive new evidence about the Putin circle s use of public
positions for personal gain even before Putin became president in 2000 She documents the establishment of Bank Rossiya
now sanctioned by the US the rise of the Ozero cooperative founded by Putin and others who are now subject to visa bans
and asset freezes the links between Putin Petromed and Putin s Palace near Sochi and the role of security officials from Putin
s KGB days in Leningrad and Dresden many of whom have maintained their contacts with Russian organized crime Putin s
Kleptocracy is the result of years of research into the KGB and the various Russian crime syndicates Dawisha s sources
include Stasi archives Russian insiders investigative journalists in the US Britain Germany Finland France and Italy and
Western officials who served in Moscow Russian journalists wrote part of this story when the Russian media was still free
Many of them died for this story and their work has largely been scrubbed from the Internet and even from Russian libraries
Dawisha says But some of that work remains **National Library of Medicine Current Catalog** National Library of
