Rogue Wave Christie Anderson, 2012-06-01 The Water Keepers 3-Book Collection: Deep Blue Secret, Roque Wave, Ambrosia Shore Christie Anderson, 2015-11-03 If this series goes as hot as we think it is it will be better than Twilight Stephenie Meyer look out Young Readers Group of Maine Grab the first three novels in this bestselling teen series as a digital set Over 1200 pages of love friendship mystery and suspense all with a unique fantasy twist A quick read filled with action and romance that will hook you right in My Cozie Corner Book Reviews Sadie doesn t know she s special or that she could die at any moment Only one green eyed boy knows the truth and he would do anything to keep her safe even if it means betraying everything he holds dear SADIE I ve dreamt of the mysterious faceless boy with shimmering eyes since I was little But that s all he ever was a dream Then I almost died When I woke up there he was Rayne is definitely real and gorgeous I feel like I ve known him forever but I have no idea why Who is he All he will tell me is that he s a Water Keeper tasked with using Healing Water to help the sick and hurt But he s been assigned to me Only me My own irresistible bodyguard But why What is he protecting me from I m just a normal high school girl and that s all I want to be RAYNE I have a duty to protect Sadie from a secret world she knows nothing about or her place in it I can t get emotionally involved The risk is too great I m not even supposed to speak to her But then there was the accident I thought I was going to lose her and I can t lose her But I can t have her either I have to be strong But the way she looks at me the way she makes me feel No I have to resist I ve sworn an oath I can t ever break Deep Blue Secret Book 1 California teen Sadie James thinks her life couldn t get any better She has great friends an energetic mother she adores and the beach practically in her own backyard But her carefree life is turned upside down when she s rescued by a mysterious and strangely familiar boy who won t even tell her his name Each time the boy appears Sadie sunexplainable attraction to him deepens along with her need to unravel his secrets The boy is there to protect her but as wonderful and exciting as it might be to have an irresistible boy with crystal green eyes protecting her every move every minute of the day why does Sadie need one As Sadie finds answers she realizes her life isn t as perfect as she thought Not only is she caught in a world of dangerous secret agents she never knew existed but it turns out her true identity may be the greatest secret of all Roque Wave Book 2 After five months of blissful pretending Sadie and Rayne are practically the couple of the year At least according to Sadie's friends at school they are But she knows the truth Their feelings are just an illusion Now with graduation and college right around the corner Sadie realizes she can t put off the inevitable any longer She has to make a choice Take the easy way out and run away from her problems as usual or move forward with courage and discover her own destiny But when Ash Hastings the son of the black eyed man who almost drove Sadie to her death last November and Rayne s supposed best friend makes an unnerving appearance in Sadie s life again the path to her future takes an unexpected turn And this time Sadie's life isn't the only one in danger Ambrosia Shore Book 3 Sadie never dreamed she would see the world of Ambrosia with her own two eyes just like Rayne never believed he

would have the chance to share it with her Finally they can be together without any lies without hiding who they are in a world that shines brighter than Sadie could ever imagine There s only one problem Rayne had to break grievous laws in order to bring her there and he is expected to pay the price Sadie believes her father has the power to free Rayne but he has been missing for days Now Sadie is alone in an unfamiliar world and desperate to help Rayne before it s too late

Ambrosia Shore Christie Anderson, 2013-05-30 Christie Anderson has out done herself again Ambrosia Shore is a story filled with love danger suspense forgiveness and loyalty It has plenty of surprise that will keep you on your toes Simply amazing Just Me Myself and I Book ReviewsAmbrosia Shore is Book 3 of the Water Keepers series Sadie never dreamed she would see the world of Ambrosia with her own two eyes just like Rayne never believed he would have the chance to share it with her Finally they can be together without any lies without hiding who they are in a world that shines brighter than Sadie could ever imagine There s only one problem Rayne had to break grievous laws in order to bring her there and he is expected to pay the price Sadie believes her father has the power to free Rayne but he has been missing for days Now Sadie is alone in an unfamiliar world and desperate to help Rayne before it s too late Deep Blue Secret Christie Anderson, 2011-07-27 Sadie doesn t know she's special or that she could die at any moment Only one green eyed boy knows the truth and he would do anything to keep her safe even if it means betraying everything he holds dear If this series goes as hot as we think it is it will be better than Twilight Stephenie Meyer look out Young Readers Group of Maine A sweet mysterious teen romance with a unique fantasy twist California teen Sadie James thinks her life couldn't get any better She has great friends an energetic mother she adores and the beach practically in her own backyard But her carefree life is turned upside down when she s rescued by a mysterious and strangely familiar boy who won t even tell her his name Each time the boy appears Sadie s unexplainable attraction to him deepens along with her need to unravel his secrets The boy is there to protect her but as wonderful and exciting as it might be to have an irresistible boy with crystal green eyes protecting her every move every minute of the day why does Sadie need one As Sadie finds answers she realizes her life isn t as perfect as she thought Not only is she caught in a world of dangerous secret agents she never knew existed but it turns out her true identity may be the greatest secret of all READING LEVEL Teen Young Adult Mild violence NO explicit sexual content or profanity PRINT The Rhino Keeper Jillian Forsberg, 2024-10-22 Based on the true story of a Dutch sea captain who LENGTH 358 Pages traveled with an Indian rhinoceros called Clara across 18th century Europe THE RHINO KEEPER evokes both the thrill of discovery in the archives and the wonder felt by a world in which no European had seen a living rhinoceros 2022 College student Andrea Clarkson uncovers a historical mystery while studying abroad in Holland From hidden desk drawers come unusual historical documents featuring a rhinoceros On a lichen covered eighteenth century grave the same animal is carved When an expanding river forces exhumation what she finds buried there is life changing Andrea faces her nightmares to retrieve what a grave robber steals valuable proof of a long forgotten history 1740 Ship captain Douwemout van der Meer

has something not seen in two hundred years the only rhino in Europe called Clara Douwemout and Clara tour Europe enthralling peasants and queens hoping to change popular views that rhinos are man eating beasts Absolute wonder follows but when a priest sees idol worship and becomes hell bent on destroying her Clara Douwe and the lives of her bonded caretakers are at risk As Douwe becomes protectively dedicated to adventuring with Clara unexpected love finds him and his heart starts to tear Will he choose a life with a traveling wonder beast forever or can love exist in many forms for the rhino Lost Lighthouse Keepers River Stone, AI, 2025-02-20 Lost Lighthouse Keepers explores the unsettling true crime stories of keepers who mysteriously vanished from their isolated posts blending maritime history with unsolved mysteries These disappearances challenge romantic notions of lighthouse life revealing a harsh reality marked by isolation The book considers environmental factors psychological impacts and even potential foul play The book examines historical accounts official reports and maritime archives to analyze these enigmas One intriguing aspect is how the demanding psychology of isolation could affect keepers mental states potentially leading to unexplainable actions. The book systematically investigates this phenomenon starting with the history of lighthouses and the routines of keepers then moves into detailed case studies before exploring the psychological effects of isolation Invitation to Oceanography Paul R. Pinet, 2006 The new Fourth Edition of Invitation to Oceanography provides students with a complete concise overview of how the ocean works spanning the four major divisions of ocean science geology chemistry physics and biology It's informal conversational style and use of familiar analogies make this text appropriate for a broad range of readers With cutting edge material including such hot topics as Hurricane Katrina and a wealth of new updates and end of chapter material Pinet's latest edition is the most up to date text available Keeper of the Damned KEITH JONES, 2014-01-13 Lars returns to the city of Ragal eager to see Amelia again and to discover what he can learn there Since the attack of the Draknor many people have been displaced and formed roving groups of bandits stealing and killing to survive making the land of Gravick a very dangerous place for travellers In Ragal he once again finds himself visting the crystal dome in his dreams The souls trapped there seem more distraught than usual and what Lars discovers from them makes him determined to find a way to set them free Meanwhile across the oceans an army sets sail intent on destroying Ragal and reclaiming their birthright King Zief learning of their approach to his lands feels the need to have Ragal better protected Keeping this news secret Zief plans for the coming battle As Lars continues with his lessons the king also places on him the burden of perfecting weapons that have already killed men far more experienced in that field than him With his lessons his determination to free the souls and now the weapons to try and improve Lars also has to deal with deciet and lies form House Corban and his beloved Amelia And war his coming which Lars will be drawn into whether he wishes it or not If Ragal is to survive Lars must work with people he has come to despise **Invitation to Oceanography**, and try and force a peace between them Final Lighthouse Calls Nakoa Rainfall, AI, 2025-02-20 Final Lighthouse Calls explores the gripping true accounts of lighthouse keepers facing unimaginable

disasters relying on their radios as their only connection to the outside world. The book examines maritime history through the lens of these isolated figures highlighting their human resilience and the psychological impact of their remote existence Learn how these keepers vital to maritime navigation and shipping routes battled not only the elements but also profound loneliness The book progresses from the history of lighthouses and the evolution of maritime technology to detailed accounts of specific disasters using radio transcripts and historical records to reconstruct events It delves into the psychological toll on the keepers analyzing their final communications to reveal their courage and despair One notable insight is how these keepers despite their isolation played a crucial role in guiding ships through treacherous waters a testament to their dedication The Keeper's Son Homer Hickam, 2007-04-01 A Coast Guard commander faces Nazi aggression in American waters in this beautifully written and nerve wrackingly suspenseful novel of WWII Nelson DeMille North Carolina 1941 Among the wind swept Outer Banks Killakeet Island is home to a peaceful community of fishermen clam stompers oyster rakers and a few lonely Coast Guard sailors Dominating the tiny island landscape is the majestic Killakeet Lighthouse which has been overseen by the Thurlow family for generations But now Josh Thurlow the Keeper's son has chosen another path Seventeen years ago Josh lost his younger brother at sea Still wracked with guilt he searches relentlessly for him as commander of a Coast Guard patrol boat But Josh's obsession with the past is complicated by the arrival of a beautiful stranger and a foreign enemy In Killakeet to escape the outside world Dosie Crossan has stirred Josh s heart Meanwhile a wolfpack of German U boats has arrived to soak the island's beaches with blood and oil One of the U boats is captained by the infamous Nazi warrior Otto Krebs But Krebs has brought more than torpedoes to Killakeet He may also have the answer to the mystery that haunts Josh Thurlow Beacon Tragedies Mark Chambers, AI, 2025-02-20 Beacon Tragedies explores the dark and often unsettling history of lighthouse keepers delving into true maritime stories of disappearances accidents and the psychological toll of isolation Lighthouses romanticized symbols of safety were in reality the sites of numerous tragedies This book examines the human condition under extreme duress revealing the intersection of history true crime and unsolved mysteries One intriguing fact is that the extreme isolation experienced by lighthouse keepers often exacerbated mental health issues leading to suicides or unexplained behavior Another insight highlights the hazardous working conditions where storms and structural failures frequently resulted in accidents and death The book unfolds by first introducing the world of lighthouse keeping before delving into specific case studies grouped thematically such as accidents mental health related incidents and perplexing disappearances By drawing from lighthouse records maritime archives and personal accounts Beacon Tragedies offers a unique perspective on forgotten aspects of maritime history It moves beyond sensationalism to consider the practical realities and potential pitfalls of lighthouse keeping emphasizing the human stories behind these historical mysteries The book s approach combines historical analysis with elements of forensic psychology examining what these beacon tragedies tell us about human resilience and the enduring fascination with the sea The

Lighthouse Keith McCloskey,2014-07-01 On 26 December 1900 the vessel Hesperus arrived at Eilean Mor in the remote Outer Hebrides with a relief lighthouseman and fresh provisions The lighthouse had been in operation for a year but it had been noted that no light had been seen from Eilean Mor for several days The relief keeper Joseph Moore found the lighthouse to be completely deserted and a subsequent search of the island failed to reveal any sign of what had happened to the three keepers The last entry in the logbook had been made on 15 December and contained a number of strange and distressing clues as to the mental states of the men One was reported to have been crying while another had become very quiet When it was revealed that the men s oilskin coats were missing and the clock in the lighthouse had stopped theories surrounding the keepers fates inevitably proliferated These included a giant wave washing them away murder or suicide Others favoured more esoteric explanations Eilean Mor was believed to have mystical properties In The Lighthouse Keith McCloskey explores this mysterious and chilling story in depth for the first time and reveals a shocking conclusion Keeper Kathi

Appelt,2012-05-22 On the night of the blue moon when mermaids are said to gather in the Gulf of Mexico Keeper sets out in a small boat determined to find her mother a mermaid as Keeper has always believed who left long ago to return to the sea

Storm of the Century Willie Drye, 2019-08-01 In 1934 hundreds of jobless World War I veterans were sent to the remote Florida Keys to build a highway from Miami to Key West The Roosevelt Administration was making a genuine effort to help these down and out vets many of whom suffered from what is known today as post traumatic stress disorder But the attempt to help them turned into a tragedy The supervisors in charge of the veterans misunderstood the danger posed by hurricanes in the low lying Florida Keys In late August 1935 a small stealthy tropical storm crossed the Bahamas causing little damage When it entered the Straits of Florida however it exploded into one of the most powerful hurricanes on record But US Weather Bureau forecasters could only guess at its exact position and their calculations were well off the mark The hurricane that struck the Upper Florida Keys on the evening of September 2 1935 is still the most powerful hurricane to make landfall in the US Supervisors waited too long to call for an evacuation train from Miami to move the vets out of harm s way The train was slammed by the storm surge soon after it reached Islamorada Only the 160 ton locomotive was left upright on the tracks About 400 veterans were left unprotected in flimsy work camps Around 260 of them were killed This is their story with newly discovered photos and stories of some of the heroes of the Labor Day 1935 calamity The Lighthouse Curse Mark Chambers, AI, 2025-02-20 The Lighthouse Curse explores the dark side of maritime history investigating why these beacons of safety so often became sites of tragedy Challenging the notion of supernatural forces the book argues that environmental hazards psychological pressures and institutional neglect were the true culprits behind the misfortunes of lighthouse keepers Isolation a constant companion for these individuals often led to mental decline and paranoia It also highlights that inadequate support systems left keepers vulnerable in unforgiving environments The book uses a narrative non fiction approach combining historical investigation with elements of true crime to dissect the grim realities behind the legends of

cursed lighthouses It presents case studies of infamous locations like the Flannan Isles Smalls Lighthouse and Point Cloates each chosen for their unique contribution to understanding the overarching themes By examining historical records psychological profiles and environmental conditions the book reveals how systemic failures contributed to the repeated tragedies The book progresses by first dissecting the mythology of cursed lighthouses then diving into detailed case studies and finally synthesizing the findings to offer a comprehensive analysis It offers valuable insights into the lives of these often overlooked workers and the lessons applicable to modern day professions involving isolation and risk The Echo Keeper Frank Parwaz, 2025-06-09 THE ECHO KEEPER Some whispers aren t meant to be heard clearly Her father kept the voices of the dead They came to him to uncover what the lost had thought or said in their final moments But not all truths heal Some hurt Some destroy After Callen's sudden death Aurelia inherits his strange shadowed shop and the device he left behind It doesn t just hold memories It retrieves the last thoughts of the dead Grief stricken strangers arrive desperate for answers Some want closure Others want revenge But as echoes emerge Aurelia begins to understand what her father never said Some bygones are best left buried Yet Aurelia has a question of her own One that s haunted her since childhood In pursuing the truth what she discovers will change everything Will she survive it And more terrifying still will she finally learn who she truly is **The Hummingbird's Keeper** Viki Obel, 2025-03-28 E J has spent her entire life running from shadows she can t name from a past she doesn t remember from a destiny she could not imagine When her latest job brings her face to face with a powerful and enigmatic man with a secret as dangerous as her own everything changes He is no ordinary man his blood carries the untamed strength of his ancestors His world is one of ancient oaths power and an unshakable belief in fate And according to fate E J belongs to him But fate has never had to contend with E J s stubborn heart She is caught between three men one who claims her as his destiny another whose presence stirs something she cannot ignore and a third who makes her question everything But only one of them was made for her only one holds the key to her identity And the others they will burn the world trying to have her As the truth unravels E J must decide will she continue running or will she finally face the danger she was born to embrace Will she finally open her heart to love Mystery Passion Destiny Some bonds cannot be broken Some truths refuse to stay buried And some loves are written in the stars

<u>Pemaquid Point Lighthouse</u> Trudy Irene Scee,2020-06-15 Pemaquid Point Lighthouse was first constructed in 1827 and still sends its beam out seventy nine feet above sea level Light keepers kept the lanterns burning from the 1820s through the 1930s but they could not prevent every tragedy Ships have crashed on the rocky shoals taking sailors to their watery graves while many others have been swept off the rocks by the powerful surf Despite advances in technology and automation the shore around the light remains a dangerous place Author and historian Trudy Irene Scee uncovers the fascinating story of this iconic Maine lighthouse its keepers and their families from the construction of the first light through the present day
