North West University Prospectus 2016:

Bright Star in the Present Prospect Ian Dunn, 2015-10-19 An illustrated history of the University of Chester charting its progress from the foundation as Chester Diocesan Training College in 1839 to the achievement of university status in 2005 and subsequent consolidation as a leading higher education institution in the region **Self-Tracking** Btihaj

Ajana, 2017-10-01 This book provides an empirical and philosophical investigation of self tracking practices In recent years there has been an explosion of apps and devices that enable the data capturing and monitoring of everyday activities behaviours and habits Encouraged by movements such as the Quantified Self a growing number of people are embracing this culture of quantification and tracking in the spirit of improving their health and wellbeing The aim of this book is to enhance understanding of this fast growing trend bringing together scholars who are working at the forefront of the critical study of self tracking practices Each chapter provides a different conceptual lens through which one can examine these practices while grounding the discussion in relevant empirical examples From phenomenology to discourse analysis from questions of identity privacy and agency to issues of surveillance and tracking at the workplace this edited collection takes on a wide and yet focused approach to the timely topic of self tracking It constitutes a useful companion for scholars students and everyday users interested in the Quantified Self phenomenon **The Outlaw Ocean** Ian Urbina, 2019-08-20 NATIONAL BESTSELLER

A riveting adrenaline fueled tour of a vast lawless and rampantly criminal world that few have ever seen the high seas There are few remaining frontiers on our planet But perhaps the wildest and least understood are the world's oceans too big to police and under no clear international authority these immense regions of treacherous water play host to rampant criminality and exploitation Traffickers and smugglers pirates and mercenaries wreck thieves and repo men vigilante conservationists and elusive poachers seabound abortion providers clandestine oil dumpers shackled slaves and cast adrift stowaways drawing on five years of perilous and intrepid reporting often hundreds of miles from shore Ian Urbina introduces us to the inhabitants of this hidden world Through their stories of astonishing courage and brutality survival and tragedy he uncovers a globe spanning network of crime and exploitation that emanates from the fishing oil and shipping industries and on which the world's economies rely Both a gripping adventure story and a stunning exposé this unique work of reportage brings fully into view for the first time the disturbing reality of a floating world that connects us all a place where anyone can do anything because no one is watching **The Corporation as a Protagonist in Global History, c. 1550-1750**, 2018-12-10

William A Pettigrew and David Veevers put forward a new interpretation of the role Europe's overseas corporations played in early modern global history recasting them from vehicles of national expansion to significant forces of global integration Across the Mediterranean Atlantic Indian Ocean and Pacific corporations provided a truly global framework for facilitating the circulation movement and exchange between and amongst European and non European communities bringing them directly into dialogue often for the first time Usually understood as imperial or colonial commercial enterprises The

Corporation as a Protagonist in Global History reveals the unique global sociology of overseas corporations to provide a new global history in which non Europeans emerged as key stakeholders in European overseas enterprises in the early modern world Contributors include Michael D Bennett Aske Laursen Brock Liam D Haydon Lisa Hellman Leonard Hodges Emily Mann Simon Mills Chris Nierstrasz Edgar Pereira Edmond Smith Haig Smith and Anna Winterbottom **The Power of Anticipatory Images in Student Achievement** James M. Davy,2020-10-03 This book features ten high academically achieving low income inner city students from Newark New Jersey who graduated from public high schools at or near the top of their class and continued to excel in college Using a qualitative research design the author interviewed the ten students and the person who most influenced their educational progress about what motivated them to achieve at such high levels Three mutually reinforcing anticipatory images emerged as a common element of their stories In their own voices the students describe the anticipatory images they framed how they developed them and how they used them to their advantage Davy advances a theoretical model of the Anticipatory Competent student who continually progresses in the directions of the images projected ahead *Handbook on Green Infrastructure* Danielle Sinnett,Nick Smith ,Sarah Burgess,2015-11-27 Green infrastructure encompasses many features in the built environment It is widely recognised as a valuable resource in our towns and cities and it is therefore crucial to understand create protect and manage this resource This Handbook sets the context for green infrastructure as a means to make urban environments more resilient sustainable liveable and equitable Including state of the art reviews that summarise the existing knowledge as well as research findings this Handbook provides current evidence for the beneficial impact of green infrastructure on health environmental quality and the economy It discusses the planning and design of green infrastructure as a strategic network down to the individual features in a neighbourhood and looks at the process of green infrastructure implementation emphasising the importance of collaboration across multiple professions and sectors This comprehensive volume operates at multiple spatial scales from strategic networks at the regional level to individual features in neighbourhoods with international case studies used throughout to illustrate key examples of good practice This collection of expert contributions will be invaluable to students and academics in the fields of planning urban studies and geography Practitioners and policy makers will also find the policy discussion and examples enlightening Inner empire Daniel Maudlin,Alex Bremner,2024-08-06 Inner Empire explores the impact of imperial cultures on the landscapes and urban environments of the British Isles from the sixteenth century through to the twentieth century It asserts that Britain s four hundred year entanglement with global empire left its mark upon the British Isles as much as it did the wider world Buildings stood as one of the most conspicuous manifestations of the myriad relationships that Britain maintained with the theory and practice of colonialism in its modern history Divided into two main sections the volume s content considers internal colonisation and its infrastructures of control order and suppression alongside wider relationships between architecture the imperial economy and cultural identity Taken together the essays in

this volume present for the first time a coherent analysis of the British Isles as an imperial setting understood through its buildings spaces and infrastructure *Annual Report - Central Soil Salinity Research Institute* Central Soil Salinity Research Institute (Karnāl, India),2015 The Oxford Guide to Australian Languages Claire Bown,2023-06-19 The Oxford Guide to Australian Languages is a wide ranging reference work that explores the more than 550 traditional and new Indigenous languages of Australia Australian languages have long played an important role in diachronic and synchronic linguistics and are a vital testing ground for linguistic theory Until now however there has been no comprehensive and accessible guide to the their vast linguistic diversity This volume fills that gap bringing together leading scholars and junior researchers to provide an up to date guide to all aspects of the languages of Australia The chapters in the book explore typology documentation and classification linguistic structures from phonology to pragmatics and discourse sociolinguistics and language variation and language in the community The final part offers grammatical sketches of a selection of languages sub groups and families At a time when the number of living Australian languages is significantly reduced even compared to twenty year ago this volume establishes priorities for future linguistic research and contributes to the language expansion and revitalization efforts that are underway **The Puzzle of the American Economy** Mark A. Pisano,2017-03-09 Exploring how sweeping demographic changes have resulted in the ineffectiveness of recent monetary and fiscal policies this book identifies corrective actions that will start to reverse the trends of low economic growth and widespread government deficits The field of demographics does not focus on the economic impacts and the funding issues resulting from demographic change Similarly economics does not take into account demographic changes The omissions in both fields are negatively impacting the nation income reductions caused by demographic changes that have not been accounted for are so large that current fiscal policies are not able to mitigate them The Puzzle of the American Economy How Changing Demographics Will Affect Our Future and Influence Our Politics exposes the factors that are undermining the nation s prospects for improving the rate of economic growth and keeping up with citizens needs for government provided services Author Mark A Pisano explains the hidden drag on the economy that has led to the ineffectiveness of recent monetary and fiscal policies how uncertainty in economic policymaking is affecting America politically as well as at the individual household level and why those who are adversely impacted are becoming politically disaffected He also presents an agenda for corrective individual action Readers will understand how the results of changes in demographics will last for decades and extend beyond the United States to many developed countries particularly Japan and nations in Europe as well as to some developing countries The book will be of value to students studying macro and micro economics those in public policy at all levels of government public administration and governmental budgeting and anyone attempting to understand the current dilemma in economic policymaking and our disjointed political process
