Organizational Behavior: Theory, Concepts and Practice Hakan Vahit ERKUTLU, Jamel Ben CHAFRA, 2022-04-17

Leadership Theory and Research Christian Harrison, 2017-11-16 This book provides a concise yet comprehensive literature review on leadership As well as offering critical insight into leadership research the author addresses emerging paradigms and

identifies new approaches A vital tool for leadership students and scholars the text will enable readers to demonstrate a critical awareness of current developments both in theory and practice of leadership and its importance in modern organizations Both scholars and practitioners will find the engaging discussion in this book particularly useful as the author offers practical ideas for development and a much needed unified theory on leadership Why Do I Need Research and Theory? Jennifer Anderson-Meger,2016-01-29 This book is based on the idea that social work as a profession can do better with advancing our mission if practitioners are knowledgeable skilled critical thinkers that use research to inform practice This is a user friendly student directed book form to help students understand the connection between knowledge social work research and social work practice This short text will support students in their research course by offering insights as to why research is important how to help students understand how research affects their own future social work practice how their beliefs impact successful learning and practical tips for being successful in research **Strangling Aunty:**

Perilous Times for the Australian Broadcasting Corporation Virginia Small,2021-09-24 Drawing on a wealth of academic research statistics and interviews with key Australian media people including present and former Australian Broadcasting Corporation staffers this book explores the transitions of the ABC under various types of organisational re strategising governance and political shifts The book provides the reader with an authoritative narrative as to how the ABC has lost its iconic status in Australian society and unfolds how the ABC has strayed from its respected public charter which endowed the ABC with a distinctive and important role in informing educating and entertaining the Australian public Successive federal government funding cuts have shrunk staffing levels and services while it has pursued a corporatist model that mimics the trappings and practices of commercial media In that process it has become politicised and trivialised thereby threatening its demise The book is a unique and timely contribution at a time of dwindling interest for the funding of public assets everywhere There is no other book in the market that addresses the decline of the organisation the ABC and analyses the reasons for its demise within an organisational theoretical framework The book is written for an educated general audience with academics and media practitioners specifically in mind and has everyday applications for business organisations operating in the public sector by bringing together important findings of public funding budgets management and organisational strategies and evolution Environmental Leadership Deborah Rigling Gallagher,2012-09-19 This reference handbook tackles issues relevant to leadership in the realm of the environment and sustainability
