

The background of the book cover is a detailed landscape painting. It depicts a lush, green forest scene. In the foreground, a stream flows over rocks, with a small waterfall visible. Two figures, a man and a woman, stand on a large, flat rock in the middle of the stream, looking out over the valley. The background shows rolling hills and mountains under a soft, hazy sky. The overall style is characteristic of 19th-century American landscape art.

Empowering Words Karen A. Weyler, 2013-04-01 Standing outside elite or even middling circles outsiders who were marginalized by limitations on their freedom and their need to labor for a living had a unique grasp on the profoundly social nature of print and its power to influence public opinion In *Empowering Words* Karen A Weyler explores how outsiders used ephemeral formats such as broadsides pamphlets and newspapers to publish poetry captivity narratives formal addresses and other genres with wide appeal in early America To gain access to print outsiders collaborated with amanuenses and editors inserted their stories into popular genres and cheap media tapped into existing social and religious networks and sought sponsors and patrons They wrote individually collaboratively and even corporately but writing for them was almost always an act of connection Disparate levels of literacy did not necessarily entail subordination on the part of the lessliterate collaborator Even the minimally literate and the illiterate understood the potential for print to be life changing and outsiders shrewdly employed strategies to assert themselves within collaborative dynamics *Empowering Words* covers an array of outsiders including artisans the minimally literate the poor indentured or enslaved and racial minorities By focusing not only on New England the traditional stronghold of early American literacy but also on southern towns such as Williamsburg and Charleston Weyler limns a more expansive map of early American authorship
