Not To Disturb:

Do Not Disturb Claire Douglas, 2020-11-17 From the award winning author of *The Sisters Local Girl Missing* and *Last Seen Alive* comes a taut psychological thriller in which family secrets and hidden pasts build to a violent climax in a guesthouse among the idyllic Welsh mountains Following a traumatic event in London Kirsty Woodhouse packs up her family and moves back to her native Wales There she sets up her new home with her husband and two young daughters and goes into business with her difficult mother managing a guesthouse in the Brecon Beacons But when the guesthouse is ready to be occupied Kirsty encounters the last person she ever expected to see her estranged cousin Selena It has been seventeen years since they last talked when Selena tore everything apart between them Why has she chosen now to walk back into Kirsty's life Is Selena running from something too Or is there an even darker reason for her visit As Kirsty becomes increasingly concerned for the safety of her daughters her dream home begins to feel like her worst nightmare Kirsty knows that once you invite trouble into your home it can be murder getting rid of it

Do Not Disturb Laurence Geller, 2006 Blackmail violence sexual manipulation and betrayal abound in this provocative thriller based in the exotic and cutthroat world of the European luxury hotel business written from the insider perspective of renowned hotel executive Geller CEO of Strategic Hotels Resorts

Do Not Disturb Michela Wrong, 2021-03-30 A powerful investigation into a grisly political murder and the authoritarian regime behind it *Do Not Disturb* upends the narrative that Rwanda sold the world after one of the deadliest genocides of the twentieth century We think we know the story of Africa's Great Lakes region Following the Rwandan genocide an idealistic group of young rebels overthrew the brutal regime in Kigali ushering in an era of peace and stability that made Rwanda the donor darling of the West winning comparisons with Switzerland and Singapore But the truth was considerably more sinister Vividly sourcing her story with direct testimony from key participants Wrong uses the story of the murder of Patrick Karegeya once Rwanda's head of external intelligence and a quicksilver operator of supple charm to paint the portrait of a modern African dictatorship created in the chilling likeness of Paul Kagame the president who sanctioned his former friend's assassination

Do Not Disturb Helen McCloy, 2014-03-14 The sign read *Do Not Disturb* and at first Edith Talbot ignored the pitiful whimpering that came through the door The hotel clerk assured her that the room was occupied by a sick boy under the care of a physician Later in the night when the cries resumed she felt something must be done and she made the fatal mistake of knocking on the door From then on things begin to happen strange things that at first seem like coincidence but crescendo into a series of hair raising events Continuous action and extra good writing Saturday Review of Literature
