Langston Hughes's *Not Without Laughter* is drawn in part from the author's own recollections of youth and early manhood. I wanted to write about a typical Negro family in the Middle West he later explained of his award-winning debut and it is as a fond and richly anecdotal family and community portrait that his book comes to life. Following Sandy Rogers from his boyhood in rural Kansas to his arrival in Chicago as a young man and set against a backdrop of poverty, segregation and the onset of World War I it introduces us to a host of vividly realized characters along the way: Sandy's pious redoubtable grandmother Hager who holds the generations together; his itinerant father Jimboy with his guitar; mother Annjee who keeps house for wealthy whites; blues singing Aunt Harriet; proper social climbing Aunt Tempy and many more.
