Claim:
There are different aquatic systems with diverse organisms.

Evidence	Reasoning/Justification
Aquatic ecosystems have abiotic - temp, light, salinity, depth	Different organisms can tolerate different factors
Some organisms prefer fresh water vs. saltwater. Bull sharks + manatees tolerate both	Bull sharks and manatees are very different, but tolerate same conditions
Depth reduces light and increases pressure. Organisms deal with this differently.	Many types of adaptations exist to survive in these conditions
The geography of an aquatic environment can determine the life forms present.	Continental shelf gets lots of light, so there's many living things. Not so in the abyss.
Photosynthesis takes place in the neritic zone.	It is the most productive area of the ocean. Plankton are base of food chain.
Metabolism is affected by temp. Many species are cold-blooded.	Organisms can migrate or must have adaptations to survive.

Making Media Work Derek Johnson, Derek Kompare, Avi Santo, 2014-08 The management and labor culture of the entertainment industry In popular culture management in the media industry is frequently understood as the work of network executives studio developers and market researchers the suits who oppose the more productive forces of creative talent and subject that labor to the inefficiencies and risk aversion of bureaucratic hierarchies However such portrayals belie the reality of how media management operates as a culture of shifting discourses dispositions and tactics that create meaning generate value and shape media work throughout each moment of production and consumption Making Media Work aims to provide a deeper and more nuanced understanding of management within the entertainment industries Drawing from work in critical sociology and cultural studies the collection theorizes management as a pervasive yet flexible set of principles drawn upon by a wide range of practitioners artists talent scouts performers directors show runners and more in

their ongoing efforts to articulate relationships and bridge potentially discordant forces within the media industries The contributors interrogate managerial labor and identity shine a light on how management understands its roles within cultural and creative contexts and reconfigure the complex relationship between labor and managerial authority as productive rather than solely prohibitive Engaging with primary evidence gathered through interviews archives and trade materials the essays offer tremendous insight into how management is understood and performed within media industry contexts The volume as a whole traces the changing roles of management both historically and in the contemporary moment within US and international contexts and across a range of media forms from film and television to video games and social media

The Top Books of the Year Note Taking Guide Episode 8 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Note Taking Guide Episode 8 : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. **The Secret History** is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
