Nothing Better To Do Than Cop:

Scarlett Shroud Joshua Kendal, 2025-10-28 A prophecy handed down through countless generations of vamps and witches has been proven to be accurate so far Scarlett matches the description of the One who holds the fate of the world in her hands and her upcoming 21st birthday is supposedly when the world can end if Scarlett fails to intervene Unfortunately the ancient parchment depicting exactly what she is to save the world from or how she even can failed to survive the ravages of time With a week left before her birthday the Sanctuary is destroyed and the elders within are slain leaving Scarlett to solve an age old mystery Her only ally her childhood bully who tormented her to no end Kara Stranded in rural Montana with wolves lurking in the surrounding forests Scarlett and Kara find themselves at war with an army of immortals tasked with murdering them Their master the world s first and only sorcerer has a single goal let the modern world burn so he can remake it as he sees fit full of soulless slaves From the corruption in the Sanctuary to the devastation wrought upon her in the foothills Scarlett must keep her wits about her all the while keeping her hearts passion at bay discovering her true power pulling off a feat that will echo through ages and stopping the last Atlantean before it s too late **Chokehold** Paul Butler, 2018-09-18 Finalist for the 2018 National Council on Crime Delinquency s Media for a Just Society Awards Nominated for the 49th NAACP Image Award for Outstanding Literary Work Nonfiction A 2017 Washington Post Notable Book A Kirkus Best Book of 2017 Butler has hit his stride This is a meditation a sonnet a legal brief a poetry slam and a dissertation that represents the full bloom of his early thesis The justice system does not work for blacks particularly black men The Washington Post The most readable and provocative account of the consequences of the war on drugs since Michelle Alexander s *The New Jim Crow* The New York Times Book Review Powerful deeply informed from a legal standpoint and yet in some ways still highly personal The Times Literary Supplement London With the eloquence of Ta Nehisi Coates and the persuasive research of Michelle Alexander a former federal prosecutor explains how the system really works and how to disrupt it Cops politicians and ordinary people are afraid of black men The result is the Chokehold laws and practices that treat every African American man like a thug In this explosive new book an African American former federal prosecutor shows that the system is working exactly the way it s supposed to Black men are always under watch and police violence is widespread all with the support of judges and politicians In his no holds barred style Butler whose scholarship has been featured on 60 Minutes uses new data to demonstrate that white men commit the majority of violent crime in the United States For example a white woman is ten times more likely to be raped by a white male acquaintance than be the victim of a violent crime perpetrated by a black man Butler also frankly discusses the problem of black on black violence and how to keep communities safer without relying as much on police Chokehold powerfully demonstrates why current efforts to reform law enforcement will not create lasting change Butler s controversial recommendations about how to crash the system and when it s better for a black man to plead guilty even if he s innocent are sure to be game changers in the national debate
