Indic Manuscript Cultures through the Ages Vincenzo Vergiani, Daniele Cuneo, Camillo Alessio Formigatti, 2017-12-18 This collection of essays explores the history of the book in pre modern South Asia looking at the production circulation fruition and preservation of manuscripts in different areas and across time Edited by the team of the Cambridge based Sanskrit Manuscripts Project and including contributions of the researchers who collaborated with it it covers a wide range of topics related to South Asian manuscript culture from the material dimension palaeography layout decoration and the complicated interactions of manuscripts with printing in late medieval Tibet and in modern Tamil Nadu to reading writing editing and educational practices from manuscripts as sources for the study of religious literary and intellectual traditions to the creation of collections in medieval India and Cambodia one major centre of the so called Sanskrit cosmopolis and the formation of the Cambridge collections in the colonial period The contributions reflect the variety of idioms literary genres religious movements and social actors intellectuals scribes patrons of ancient South Asia as well as the variety of approaches interests and specialisms of the authors and their impassionate engagement with manuscripts

The Making of South East Asia G. Coedes, 1966 **The Making of South East Asia** G. Coedès, 2023-11-10 This book deals mainly with the earlier formative epochs that marked the flowering in the region of the Great Traditions of Hinduism and of Buddhism Following a succinct sketch of the prehistoric period the book moves on to a chronological account of the developments from the Chinese conquest of Annam in the third century to the period of

European conquest in the nineteenth It reflects the author s thoughtful views concerning the evolution of political institutions religions literatures and arts that distinguished the region In geographical scope it embraces Thailand Burma and the area formerly known as French Indochina and is an indispensable guide to the making of the region This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1966 This book deals mainly with the earlier formative epochs that marked the flowering in the region of the Great Traditions of Hinduism and of Buddhism Following a succinct sketch of the prehistoric period the book moves on to a chronological account of t *Routledge Library Editions: Modern East and South East Asia* Various Authors,2022-07-30 This 7 volume set reissues a range of classic out of print texts that cover a host of issues that have contributed to the development of modern East and South East Asia With titles covering economics politics history anthropology and security this set provides the researcher with an essential resource on the region **7th Socio-Cultural Research Congress on Cambodia, 15-17 November 2004** ,2005 Engendering the Buddhist State Ashley Thompson,2016-04-14 Drawing from more than a decade of field and archival research this monograph concerns Cambodian cultural history and historiography with an ultimate aim of broadening and deepening bases for understanding the Cambodian Theravadin politico cultural complex The book takes the form of an interdisciplinary analysis of performative and representational strategies for constituting social collectivities largely developed at Angkor The analysis involves extended close readings of a wide range of cultural artefacts including epigraphic and manuscript texts sculpture and ritual practices The author proposes a critical re evaluation of dominant paradigms of Cambodian historiography in view of engendering new histories or hybrid histories which make room for previously absent perspectives and voices while developing new theoretical tools engaging with and partially derived from indigenous narrative practices in the broadest sense In this history making process the historical event is shown to never be entirely separable from its aesthetic representation Particular attention is paid to the roles of sexual difference in such re constructions of history The book presents a theory of power capable of accounting for the historical phenomena by which vernacular cultures appropriate subvert and submit to cosmopolitan forces It charts out a novel approach to the study of classical Southeast Asian materials and is of interest to students and scholars of Asian Art Religion and Philosophy Buddhism and Southeast Asian History *The Dvāravatī Wheels of the Law and the Indianization of South East Asia* Robert L. Brown,2023-12-28 This volume deals with a unique group of stone sculptures representations of the Buddha s Wheel of the Law found in present day Thailand that date from about the seventh eighth centuries CE The book places these sculptures in their historical religious and art historical contexts to determine what they meant to the culture called Dv ravat that produced them Thus other art historical material associated with the Wheels including stone deer Buddha images and stupas

are discussed Of greatest importance is how these sculptures relate to both the art in Cambodia and that in India and to determine what these relationships can tell us about the process called Indianization by which Indian culture religion and art were adapted in Southeast Asia The Routledge Handbook of Archaeology and Globalization Tamar Hodos,2016-11-18 This unique collection applies globalization concepts to the discipline of archaeology using a wide range of global case studies from a group of international specialists The volume spans from as early as 10 000 cal BP to the modern era analysing the relationship between material culture complex connectivities between communities and groups and cultural change Each contributor considers globalization ideas explicitly to explore the socio cultural connectivities of the past In considering social practices shared between different historic groups and also the expression of their respective identities the papers in this volume illustrate the potential of globalization thinking to bridge the local and global in material culture analysis The Routledge Handbook of Archaeology and Globalization is the first such volume to take a world archaeology approach on a multi period basis in order to bring together the scope of evidence for the significance of material culture in the processes of globalization This work thus also provides a means to understand how material culture can be used to assess the impact of global engagement in our contemporary world As such it will appeal to archaeologists and historians as well as social science researchers interested in the origins of globalization A History of Cambodia David Chandler,2018-05-04 In this clear and concise volume author David Chandler provides a timely overview of Cambodia a small but increasingly visible Southeast Asian nation Praised by the Journal of Asian Studies as an original contribution superior to any other existing work this acclaimed text has now been completely revised and updated to include material examining the early history of Cambodia whose famous Angkorean ruins now attract more than one million tourists each year the death of Pol Pot and the revolution and final collapse of the Khmer Rouge The fourth edition reflects recent research by major scholars as well as Chandler s long immersion in the subject and contains an entirely new section on the challenges facing Cambodia today including an analysis of the current state of politics and sociology and the increasing pressures of globalization This comprehensive overview of Cambodia will illuminate for undergraduate students as well as general readers the history and contemporary politics of a country long misunderstood
