Sports Law in Zimbabwe Tinashe Madebwe, Jimcall Pfumorodze, Emma Chitsove, Thabo Fiona Khumalo, 2022-09-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of sports law in Zimbabwe deals with the regulation of sports activity by both public authorities and private sports organizations The growing internationalization of sports inevitably increases the weight of global regulation yet each country maintains its own distinct regime of sports law and its own national and local sports organizations Sports law at a national or organizational level thus gains a growing relevance in comparative law The book describes and discusses both state created rules and autonomous self regulation regarding the variety of economic social commercial cultural and political aspects of sports activities Self regulation manifests itself in the form of by laws and encompasses organizational provisions disciplinary rules and rules of play However the trend towards more professionalism in sports and the growing economic social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities This form of regulation appears in a variety of legal areas including criminal law labour law commercial law tax law competition law and tort law and may vary following a particular type or sector of sport It is in this dual and overlapping context that such much publicized aspects as doping sponsoring and media and responsibility for injuries are legally measured This monograph fills a gap in the legal literature by giving academics practitioners sports organizations and policy makers access to sports law at this specific level Lawyers representing parties with interests in Zimbabwe will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative sports law

Kanyenze: Zimbabwe: The Link Between Politics and, 2023-03-20 In this accessible and authoritative book Godfrey Kanyenze provides a comprehensive and far reaching analysis of the socio economic development in Zimbabwe in light of the expanding authoritarianism and the ongoing destruction of democratic institutions during the four decades after independence Kanyenze describes the various phases of the socio economic development starting with 1980 when the people of Zimbabwe saw their hard won independence and new democracy as a promise for a

Economic and Monetary Sovereignty in 21st Century Africa Maha Ben Gadha, Fadhel Kaboub, Kai Koddenbrock, Ines Mahmoud, Ndongo Samba Sylla, 2021-12-20 Over forty years after the formal end of colonialism suffocating ties to Western financial systems continue to prevent African countries from achieving any meaningful monetary sovereignty

Economic and Monetary Sovereignty in 21st Century Africa traces the recent history of African monetary and financial dependencies looking at the ways African nations are resisting colonial legacies Using a comparative multi disciplinary approach this book uncovers what went wrong after the Pan African approaches that defined the early stages of independence and how most African economies fell into the firm grip of the IMF World Bank and the EU s strict neoliberal policies This collection is the first to offer a wide ranging comparative and historical look at how African societies have attempted to increase their policy influence and move beyond neoliberal orthodoxy and US dollar dependency Economic and Monetary Sovereignty in 21st Century Africa is essential reading for anyone interested in the African quest for self determination in a turbulent world of recurring economic and financial crisis *Financial Inclusion Regulatory Practices in SADC* Howard Chitimira,Tapiwa Warikandwa,2023-05-25 Against a background of calls to prioritise the improvement of financial inclusion in Africa this book provides an analysis of current financial inclusion measures in Southern Africa Evaluating the existing strengths and weaknesses of financial inclusion in Africa it identifies opportunities to improve inclusive financial services and aid poverty reduction in the region With a focus on South Africa Namibia Botswana and Zimbabwe as case studies for assessing current financial inclusion in the context of particular challenges faced by unbanked and underbanked customers who are easy targets for cybercriminals due to low levels of digital literacy it looks into the regulation and promotion of financial inclusion in Southern Africa The book explores financial inclusion in the context of digital transformation in the 21st century examining the regulation and promotion of financial inclusion in the context of digital transformation as well as the challenges related to financial inclusion Suggesting improvements to aspects of company law securities and financial markets in the Southern African Development Community region the book offers a comprehensive study on the regulation and promotion of financial inclusion in the Southern African Development Community region It will be essential reading for students and academics researching financial inclusion international economic law and development Competition Law and Economic Regulation in Southern Africa Imraan Valodia,Jonathan Klaaren,Simon Roberts,2017-07-04 Shaping markets through competition and economic regulation is at the heart of addressing the development challenges facing countries in southern Africa The contributors to Competition Law and Economic Regulation Addressing Market Power in southern Africa critically assess the efficacy of the competition and economic regulation frameworks including the impact of a number of the regional competition authorities in a range of sectors throughout southern Africa Featuring academics as well as practitioners in the field the book addresses issues common to southern African countries where markets are small and concentrated with particularly high barriers to entry and where the resources to enforce legislation against anti competitive conduct are limited What is needed the contributors argue is an understanding of competition and regional integration as part of an inclusive growth agenda for Africa By examining competition and regulation in a single framework and viewing this within the southern African experience this volume adds new perspectives

to the global competition literature It is an essential reference tool and will be of great interest to policymakers and regulators as well as the rapidly growing ecosystem of legal practitioners and economists engaged in the field
