Critical Perspectives on Afro-Latin American Literature Antonio D. Tillis,2012-04-23 After generations of being rendered virtually invisible by the US academy in critical anthologies and literary histories writing by Latin Americans of African ancestry has become represented by a booming corpus of intellectual and critical investigation This volume aims to provide an introduction to the literary worlds and perceptions of national culture and identity of authors from Spanish America Brazil and uniquely Equatorial Guinea thus contextually connecting Africa to the history of Spanish colonization The importance of Latin America literature to the discipline of African Diaspora studies is immeasurable and this edited collection provides a ripe cultural context for critical comparative analysis among the vast geographies that encompass African and African Diaspora studies Scholars in the area of African Diaspora Studies Black Studies Latin American Studies and American literature will be able to utilize the eleven essays in this edition to enhance classroom instruction and further academic research

**Eilean Donan Castle**

Cecily Shakespeare,Jonathan Clark,Justin Garner-Lahire,Richard Oram,Nicola Toop,2023-11-15 Now hard to believe Eilean Donan Castle was once one of the largest castles in the west Highlands known to have featured seven towers the remains of which lie buried on the island This book provides a refreshed view of the lost medieval guise of the castle of its 13th century origins and form and of who was responsible for building it allowing the castle to be positioned accurately in the complex dynamics of powerholding and display of the earls of Ross and associated militarized kindreds of the west Highlands during six centuries of change up to the castle s destruction in 1719 A new history and the details of the below ground archaeology allow us to see the lost medieval castle in our mind s eye 500 years after it vanished Focusing on the huge amount of

archaeological material unearthed during the campaign shows the castle hosted master craftspeople including goldsmiths shipwrights and hereditary swordsmiths Exquisite personal items decorative mail armor and weapons musical instruments gaming pieces imported pottery and animal bones bring the castle and its inhabitants back to life      **The Myth of**

**St. Patrick & Christianity in Ireland** George Richards, 2010-12-08 It has been the belief of the Irish people that St Patrick was the missionary that brought Christianity to Ireland however this may have been the case From ancient writings it would appear that Christianity was well established in Ireland hundreds of years before the purported arrival of St Patrick and it is probable that St Patrick is another instance of church propaganda to influence the minds of the people      *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the Morte Darthur It increased in popularity during the Victorian era when after Tennyson's treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film television music visual art and games It will prove an invaluable source of reference for students of literary and visual arts general readers collectors librarians and cultural historians indeed by anyone interested in the history of the ways in which Camelot has figured in post medieval English speaking cultures ANN F HOWEY is Assistant Professor at Brock University Canada STEPHEN R REIMER is Associate Professor at the University of Alberta Canada      *Books Added* Chicago Public Library, 1916      Michelangelo da Caravaggio Félix Witting, M.L. Patrizi, 2023-12-28 After staying in Milan for his apprenticeship Michelangelo da Caravaggio arrived in Rome in 1592 There he started to paint with both realism and psychological analysis of the sitters Caravaggio was as temperamental in his painting as in his wild life As he also responded to prestigious Church commissions his dramatic style and his realism were seen as unacceptable Chiaroscuro had existed well before he came on the scene but it was Caravaggio who made the technique definitive darkening the shadows and transfixing the subject in a blinding shaft of light His influence was immense firstly through those who were more or less directly his disciples Famous during his lifetime Caravaggio had a great influence upon Baroque art The Genoese and Neapolitan Schools derived lessons from him and the great movement of Spanish painting in the seventeenth century was connected with these schools In the following generations the best endowed painters oscillated between the lessons of Caravaggio and the Carracci      *National Days* D. McCrone, G. McPherson, 2009-10-15 The book shows how national days are best understood in the context of debates about national identity It argues that national days are contested and manipulated as well as subject to political cultural and social pressure It brings together some of the most recent research on national

days and sets it in a comparative context      *Myth and Environment in Recent Southwestern Literature* , Theda Wrede,2014-04-10 The romantic perception of the American Southwest as a wild and dangerous frontier where heroic settlers prove their endurance has often responded to a common human desire to escape from the pressures of civilization and experience an authentic relationship with nature This idealized notion about life in the Southwest however has contributed the subjugation of the indigenous populations and the natural world while helping rationalize the conquest of both In *Myth and Environment in Recent Southwestern Literature* Theda Wrede brings contemporary Southwestern American literature under the microscope to examine the ways in which the mythic narrative has influenced attitudes toward the land in the region Focusing on popular novels by Cormac McCarthy Barbara Kingsolver Leslie Marmon Silko and Denise Chavez Wrede explores the psychology behind the myth and discusses the ways in which the four authors deploy the mythic narrative interrogate its validity and offer visions for alternative modes of inhabiting the Southwest In combining ideas from a culturally sensitive ecofeminist theory psychoanalysis postcolonial studies and literary studies the study offers an innovative conceptual framework for discussions about environmental responsibility in the twenty first century Finally it also encourages its readers to partake in the process of mythogenesis by imagining sustainable narratives to help rescue the promise of the Southwest for the new millennium      St. Andrews Review ,1991      **US and Azerbaijani Oil in the**

**Nineteenth Century** Marius S. Vassiliou,Mir-Yusif Mir-Babayev,2022-10-25 The nineteenth century was an exciting and dynamic era of rapid progress in industry and technology One of the most vigorous of the new industries was petroleum It first transformed the way people lit their houses displacing whale oil and other substitutes and then revolutionized the entire field of energy and helped create the modern world During the nineteenth century oil was overwhelmingly dominated by the United States and the Russian Empire together responsible for 97% of the world's production and over the course of the century nearly all the Russian Empire's oil came from the territory that is now the independent state of Azerbaijan Many people don't know that the world's first industrial oil well was drilled in Azerbaijan in 1846 thirteen years before Drake's celebrated well in Pennsylvania This book covers oil in the United States and Azerbaijan in all its dynamism from its earliest beginnings to the turn of the twentieth century It treats both business and technology from the early wildcatters to Standard Oil and the Nobel Brothers yes that remarkable family created more than a famous prize The book echoes into the present day for good or ill oil still moves the world      *West over Sea* ,2007-09-30 This volume is a collection of 30 papers on the
