The construction of a wall on the U S Mexico border whether to build it or not has become a hot button issue in contemporary America A recent impasse over funding a wall caused the longest government shutdown in U S history sharpening partisan divisions across the nation In the Arizona borderlands groups of predominantly white American citizens have been mobilizing for decades some help undocumented immigrants bypass governmental detection while others help law enforcement agents to apprehend immigrants Activists on both the left and the right mobilize without an immediate personal connection to the issue at hand many doubting that their actions can bring about the long term change they desire Why then do they engage in immigration and border politics so passionately Divided by the Wall offers a one of a kind comparative study of progressive pro immigrant activists and their conservative immigration restrictionist opponents Using twenty months of ethnographic research with five grassroots organizations Emine Fidan Elcioglu shows how immigration politics has become a substitute for struggles around class inequality among white Americans She demonstrates how activists mobilized not only to change the rules of immigration but also to experience a change in themselves Elcioglu finds that the variation in social class and intersectional identity across the two sides mapped onto disparate concerns about state power As activists strategized ways to transform the scope of the state's power they also tried to carve out self transformative roles for themselves Provocative and even handed Divided by the Wall challenges our understanding of immigration politics in times of growing inequality and insecurity **The Painters Magazine and Paint and Wall Paper Dealer**, 1915 *Beth McCord's Memoirs* Alan McCord, 2018-11-14 This book is comprised of a set of memoirs describing the life of a woman who was part of The Greatest Generation Individual chapters describe her experiences growing up during the Great Depression working as a social worker at a youth settlement house being engaged to a soldier during World War II making their way as a young couple following the war raising two sons and serving as a public school teacher for 24 years She also reflects on the life of her husband of 62 years **Flawed Dogs: The Novel** Berkeley Breathed, 2009-09-17 The Pulitzer Prize winning creator of Bloom County and *Opus* delivers a humorous and heartwarming illustrated novel for kids and dog lovers of any age Breathed through words and lush illustrations tells a story that will charm many readers The New York Times Sam the Lion is actually a priceless dachshund bred to be a show dog More important he is Heidi's best friend and she needs one like never before Living with her reclusive uncle is hard but Sam has a way of making her feel soft and whole Until the day Sam is framed by the jealous poodle Cassius and is cast out by Heidi's uncle alone on the wild streets where he is roughed up by a world he was not bred for Sporting a soup ladle for a leg Sam befriends other abandoned dogs and journeys all the way to the Westminster Dog Show where his plan for revenge on Cassius takes an unexpected turn when he and Heidi spot each other
