Introduction for quotation

Author Date of publication in parenthesis

[Wetli (2019), in her literature review about inclusivity in archival spaces, noted that:

Scholar's [sic] view archives as the custodial spaces of history and its artifacts, a model which predicates ownership, power, and control. To negate this, many organizations have moved towards a model of stewardship. These institutional archives work cooperatively with the communities whose histories they are preserving by providing stable infrastructure, training, and technological support. (p. 4)

Indent quote 1/2 inch from Introduction

Page number in parenthetical in-text citation

## Tips:

- Quoted material starts on a new line, is double-spaced, and 1/2 inch in from introduction
- Do not use quotation marks around block quote
- Add a period at the end of block quote
- No period after parenthetical in-text citation
