

## **Introduction**

Amazon Inc. was established in 1994 by Jeff Bezos. Its foundation was based on the idea of online selling of books and grew significantly to dominate the online sale of books. In the late 90s, the company entered the media industry as a major online retailer and started selling CDs and DVDs. Over the years, Amazon has grown from an inexperienced online bookseller to become one of the most valuable and powerful organizations in contemporary history. However, the company faces some weaknesses and threats that could potentially reduce its competitive advantage. This report seeks to conduct an analysis of the company to identify areas of improvement in its strategies and provide informed recommendations and conclusions. Essentially the outline of the report includes Strengths, Weaknesses, Opportunities, and Threats (SWOT) analysis, Valuable, Rare, Imitability, and Organization (VRIO) analysis, recommendations, and conclusion.

## **SWOT Analysis**

According to Sarsby (2016), SWOT Analysis involves a compilation of the company's strengths, weaknesses, opportunities, and threats. The model enables organizations to develop a full awareness of the factors involved in making a business decision. Based on this model, the internal analysis will reflect on the internal factors (strengths and weaknesses)

The Latinx Guide to Graduate School Genevieve Negrón-Gonzales, Magdalena L. Barrera, 2023-01-30 In The Latinx Guide to Graduate School Genevieve Negrón-Gonzales and Magdalena L. Barrera provide prospective and current Latinx graduate students in the humanities and social sciences fields with a roadmap for surviving and thriving in advanced degree programs. They document the unwritten rules of graduate education that impact Latinx students, demystifying and clarifying the essential requirements for navigating graduate school that Latinx students may not know because they are often the first in their families to walk that path. Topics range from identifying the purpose of graduate research, finding the right program, and putting together a strong application to developing a graduate student identity, cultivating professional and personal relationships, and mapping out a post graduate school career. The book also includes resources for undocumented students. Equal parts how to guide, personal reflection, manifesto, and academic musing, this book gives a culturally resonant perspective that speaks to the unique Latinx graduate student experience.
