PREFACE

Thank you for purchasing our company products, we appreciate your business. The following manual is only a guide to assist you and is not a complete or comprehensive manual of all aspects of maintaining and repairing your pressure washer. The equipment you have purchased is a complex piece of machinery. We recommend that you consult with a dealer if you have doubts or concerns as to your experience or ability to properly maintain or repair your equipment. You will save time and the inconvenience of having to go back to the store if you choose to write or call us concerning missing parts, service questions, operating advice, and/or assembly questions. Our diesel pressure washers have some of the following features:

- Lightweight construction
- Air cooled
- Four-stroke diesel engine
- Recoil starter (optional electric start)
- Large fuel tank
- Included high pressure hose
- Included high pressure spray gun

This manual will explain how to operate and service your pressure washer set.

If you have any questions or suggestions about this manual, please contact your local dealer or us directly. Consumers should notice that this manual might differ slightly from the actual product as more improvements are made to our products. Some of the pictures in this manual may differ slightly from the actual product as well. Reserves the right to make changes at any time without notice and without incurring any obligation.
