Not Just Another War Story:

Not Just Another War Story Wayne G. MacDowell, 2014-11-11 Not Just Another War Story transports the reader back in time in one of the most compelling World War II stories in many years. The author masterfully weaves this story through authentic towns and places of conflict that were focal points in the war where we find all the reflections of love, conflict, and hope that wartime brings. It's been six months since the surprise attack by the Japanese on Pearl Harbor. Now it is the Spring of 1942. Steve Carmichael has just graduated from the University of Florida. From the time he was a boy growing up on a Central Florida cattle ranch, he has been flying. His Dad had purchased an old mail route bi plane when Steve was 11, and within a year the youngster was soaring with the birds in the airplane. As young men go off to fight in the war, Steve places a professional baseball career with the Detroit Tigers on hold, making the decision to join the Army Air Corps. His desire is to pilot the four-engine B-17 Flying Fortress Bomber into battle. He has no idea that ahead he will find strength he didn't know he had and a once in a lifetime chance at love. You can almost hear the roar of B-17 engines when you fly along with Steve and his crew as they do battle in the dangerous sky above occupied Europe. Each of the exciting bombing missions flown in Not Just Another War Story is an authentic 305th Bomb Group raid on the enemy. Experience the action-packed air battles of World War II as the airmen try to survive only to fly into battle on the next mission with the possibility of being shot down over enemy territory, evading capture, and making it safely back to England with the help of the Dutch-French Underground.

Dakota Flight Paul Wa?kowicz, 2014-02 Flying rescue missions is part of George Young's job, and he accepts the risks of a night flight through a blizzard to a remote Canadian village despite a finicky engine. Although dicey, the long journey provides George with time to reminisce. The lure of flight to a 17-year-old boy proud to have earned his pilot's license. The exciting, terrifying disruption of World War II to everything he's known. Insane flying missions in the Aleutians where less than ten percent of the weather is fit for aircraft or airmen. A suicide sortie after intelligence on a prototype Japanese bomber with a range that threatens US soil. The bittersweet success of a guerilla movement in the Philippine jungles. Dynamic pilots who taught George how to survive, whose dedication to duty cost them their lives. And a patchwork love never fully realized, always just out of reach. As he wrestles his aircraft and the storm on this errand of mercy, George also wrestles with eternal questions of destiny. What is his purpose that he should live and others die? Is he doomed to drift, his heart hardening as he struggles to survive in civilian life even more than he did during the war?

The Last 72 Mustafa Tabanlı, 2013-02-27 This book is the compilation of the best submissions to the essay contest Last 72 organized by Everest Productions and The Fountain in 2010. As you read along, you will witness an inmate regretting his past life and taking shelter in hopes for God's mercy, a mother ready to move the entire planet to mobilize for her autistic child when she would not be around for him any more, an immigrant's thankfulness for a naval officer who saved his mother from the sea, and many other touchy stories and answers for a shaky question.

The Devil's Trick John Boyko, 2022-05-17 Forty-five years after the fall of Saigon John Boyko brings to light the little-known story of Canada's involvement in the American War in Vietnam Through the lens of six remarkable people some well-known others obscure bestselling historian John Boyko recounts Canada's often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam's prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide-ranging and fascinating accounts Boyko exposes what he calls the Devil's wildest trick convincing leaders that war is desirable persuading the public

that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada s side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies **Jody** John Harris,2007-12 This is a fascinating compelling story about brutal warfare a devastating betrayal and a secret affair Jody Williams joined the Marine Corps an innocent youth because he was homeless and he became a true hero in every sense of the word but twists of fate and extenuating circumstances prevented him from receiving the commendations for his heroic actions that he deserved and wanted He is brash and reckless and will not stand down from a fight yet still has that special something that will captivate you You will fall in love with the kid and will find yourself wanting to know more
