Notes On My Books:

Notes on books Longmans, Green and co,1909 **Book Notes Illustrated** ,1924 Book Notes Sidney Smith Rider,1890 Consisting of literary gossip criticisms of books and local historical matters connected with Rhode Island

Academic E-Books Suzanne M. Ward,Robert S. Freeman,Judith M. Nixon,2015-11-15 Academic E Books Publishers Librarians and Users provides readers with a view of the changing and emerging roles of electronic books in higher education The three main sections contain contributions by experts in the publisher vendor arena as well as by librarians who report on both the challenges of offering and managing e books and on the issues surrounding patron use of e books The case study section offers perspectives from seven different sizes and types of libraries whose librarians describe innovative and thought provoking projects involving e books Read about perspectives on e books from organizations as diverse as a commercial publisher and an association press Learn about the viewpoint of a jobber Find out about the e book challenges facing librarians such as the quest to control costs in the patron driven acquisitions PDA model how to solve the dilemma of resource sharing with e books and how to manage PDA in the consortial environment See what patron use of e books reveals about reading habits and disciplinary differences Finally in the case study section discover how to promote scholarly e books how to manage an e reader checkout program and how one library replaced most of its print collection with e books These and other examples illustrate how innovative librarians use e books to enhance users experiences with scholarly works

Notes and Queries ,1862 *Notes and Queries* William John Thoms,1867 **Bhagat Singh's Jail Note Book** Malwinder Jit Singh Waraich,Harish Jain,2016-06-01 Shaheed Bhagat Singh s Jail Notebook opens a window into his exploration of ideas of distinguished thinkers and philosophers Well known among his comrades as an avid and voracious reader Bhagat Singh managed to procure during his imprisonment in jail a large number of selected books by prominent authors of his choice The excerpts notes and quotes from those books which he wrote down in his jail notebook reflected not only the seriousness with which he studied the books but also his intellectual sophistication and social and political concerns However the perfunctory reference to the sources or books from which these notes and quotes were taken left a rather perplexing question mark with regard to the authentic source i e from exactly which editions of which books by which particular authors were these taken As a result fantastic claims and wild speculations came to be made by admiring scholars as to the number of books and the kind of original works of great thinkers that Bhagat Singh was able to study in the jail As a sequel to that the present work Bhagat Singh s Jail Note Book Its Context and Relevance by Harish Jain represents an exceptionally tenacious and laborious search and research into the specific and authentic sources of the particular notes and quotes entered in the Jail Notebook The story of the author s exploration for over a decade searching and identifying books by following astute guesses and hunches and rummaging through many likely or probable books accessible at that time many of which were not easily available now makes a fascinating reading Contextualising the importance and reach of the ideas of

the various authors in those times helps one to understand why they might have appeared significant to Bhagat Singh Besides discussing the ideas central to the books he read attempt has been made here to explain the import of the quotes he chose to copy A unique work of its kind this study is both enriching and a pleasure to read *The Note-Books of Samuel Butler* Samuel Butler,2019-11-21 The Note Books of Samuel Butler is an intriguing compilation that offers profound insights into Butler s intellectual musings and philosophical reflections on a diverse range of subjects including art science and society The literary style is characterized by Butler s sharp wit and keen observational prowess often presented in the form of aphorisms and succinct commentary which invites readers to engage critically with his thoughts This collection acts as both an autobiographical window into the mind of a 19th century Victorian intellectual and a broader commentary on his contemporary society revealing the tensions between tradition and modernity that permeate his work Samuel Butler was a polymath a novelist essayist and social critic known for his iconoclastic ideas especially towards Darwinism and Victorian values His discontent with societal norms and traditional beliefs stemming from his own unique experiences including his stay in New Zealand shaped his unconventional worldview These influences are palpable in his note books as he navigates both personal introspection and societal critique melding philosophies and experiences into a rich tapestry of thought This illuminating collection is highly recommended for readers interested in the interplay of art philosophy and social critique during the Victorian era Butler s notes not only reflect his creative genius but also serve as a thought provoking commentary that remains relevant in today s conversations about individualism and societal expectations **The Note-books of Samuel Butler** Samuel Butler,1915 *Library Notes* University of North Carolina (1793-1962).
