Paper Girl Beth Macy,2025-10-07 Named a Most Anticipated Book of 2025 by People Boston Globe Chicago Tribune Bustle and more From one of our most acclaimed chroniclers of the forces eroding America's social fabric her most personal and powerful work a reckoning with the changes that have rocked her own beloved small Ohio hometown Urbana Ohio was not a utopia when Beth Macy grew up there in the 70s and 80s certainly not for her family Her dad was known as the town drunk which hurt as did their poverty But Urbana had a healthy economy and thriving schools and Macy had middle class schoolmates whose families became her role models Though she left for college on a Pell Grant and then a faraway career in journalism she still clung gratefully to the place that had helped raise her But as Macy's mother's health declined in 2020 she couldn't shake the feeling that her town had dramatically hardened Macy had grown up as the paper girl delivering the local newspaper which was the community's civic glue Now she found scant local news and precious little civic glue Yes much of

the work that once supported the middle class had gone away but that didn't begin to cover the forces turning Urbana into a poorer and angrier place Absenteeism soared in the schools and in the workplace as a mental health crisis gripped the small city Some of her old friends now embraced conspiracies In nearby Springfield Macy watched as her ex boyfriend once the most liberal person she knew became a lead voice of opposition against the Haitian immigrants parroting false talking points throughout the 2024 presidential campaign This was not an assignment Beth Macy had ever imagined taking on but after her mother's death she decided to figure out what happened to Urbana in the forty years since she'd left The result is an astonishing book that by taking us into the heart of one place brings into focus our most urgent set of national issues Paper Girl is a gift of courage empathy and insight Beth Macy has turned to face the darkness in her family and community people she loves wholeheartedly even the ones she sometimes struggles to like And in facing the truth in person with respect she has found sparks of human dignity that she has used to light a signal fire of warning but also of hope
